

Using Mobile Devices in Emergencies

Mobile devices and cell phones can be valuable in emergencies.

- Store emergency contact numbers (ex: family, friends, police, fire, gas, hydro) so you can find them quickly.
- Access Manitoba government's mobile flood website by going to www.manitoba.ca and selecting the flood information site. You can also subscribe to our RSS feed from the flood website to get automatic updates.
- Access other important web sites and resources by going to the [Links and Resources](#) section within the flood website.
- Follow the Manitoba government on Twitter and Facebook for the latest flood updates and information.
- Make sure you have a charger or a car charger and an extra battery in your [emergency kit](#).
