

## GETTING THE JOB DONE MAKING LIFE MORE AFFORDABLE

**Budget 2019 keeps our promises by fixing the finances, repairing services and rebuilding our economy.**

**We're investing in results for Manitobans and continuing on the road to recovery by:**

- **keeping our promise to cut the PST to seven per cent, saving a family of four an average of \$500 for each full year;**
- **reducing the summary deficit to \$360 million for the 2019-20 fiscal year, \$161 million less than in the 2018-19 fiscal year;**
- **rebuilding the province's savings by transferring an additional \$50 million in 2019-20 to the 'rainy day fund', which is projected to have a balance of \$265 million as of March 31, 2020;**
- **keeping our promise to lower ambulance fees to a maximum of \$250;**
- **increasing funding for health care, education and families to the highest levels in Manitoba history;**
- **investing in addictions services with \$1 million in funding to expand withdrawal management beds in Winnipeg and Brandon;**
- **allocating \$45 million toward capital projects in recognition of Manitoba's 150th anniversary, including funding for additional highways infrastructure projects;**
- **spending more than \$1 billion on strategic infrastructure such as roads and bridges, water and waste-water infrastructure projects, flood protection, hospitals, schools, universities and colleges;**
- **providing \$350 million toward highways infrastructure and projects such as the Daly Bridge in Brandon, the replacement of the existing overpass near Portage la Prairie and improvements to PTH 21 near Shoal Lake;**
- **providing a total of \$313.5 million in basket funding for local governments; and**
- **investing an additional \$2.3 million to target drug-related criminal activity including meth and gang-related crime prevention initiatives.**

## GETTING THE JOB DONE MAKING LIFE MORE AFFORDABLE
