

GWN PYROLYTIC CORPORATION - PYROLYTIC FACILITY - TOWN OF SELKIRK (CLIENT FILE: 4265.00)

A Proposal has been filed by Mr. Michael C. Ross, on behalf of the GWN Pyrolytic Corporation, for a Stage 1 Licence for the development of a pyrolytic facility to be located at 12 Wersch Street, in the Town of Selkirk. The facility will be used for the pyrolytic destruction of various types of waste such as auto fluff, solvents, tires and oil sludges.
