

# Environment Act Licence

Manitoba  
Environment

Licence No. 1395

Issue Date AUGUST 8, 1990

In accordance with the Manitoba Environment Act (C.C.S.M. c. E125)

THIS LICENCE IS ISSUED TO:

H & A DOUBLE DIAMOND CO. LTD., BOISSEVAIN; APPLICANT

The following limits, terms, and conditions shall be complied with in connection with the continued operation of a fertilizer and agricultural chemicals facility located at N. W. 1/4 Section 13, Township 3, Range 20 WPM, in the Rural Municipality of Morton, Manitoba:

1. The Applicant shall limit the emission of particulate matter from the operation to such an extent that airborne particulate matter from any part or process of the operation does not exhibit an opacity greater than 5 percent at any point beyond the property line of the operation.
2. The Applicant shall ensure that any fertilizer spills are contained and cleaned up immediately to prevent soil contamination and the possibility of surface runoff into groundwater and/or surface water.
3. The Applicant shall develop a program to ensure that all liquid fertilizer storage tanks are dyked by an enclosure designed, constructed and maintained so as to retain not less than 110% of the capacity of the tank, or 110% of the capacity of the largest tank where more than one tank is enclosed in the dyked area, to prevent groundwater and/or surface water contamination due to spillage and/or contaminated water runoff.
4. The details of the program referred to in Clause 3 shall be forwarded to the Director on or before October 1, 1990.
5. The Applicant shall ensure that a high standard of equipment maintenance and good housekeeping practices are carried out at all times consistent with meeting the requirements of this Licence.
