Water and Wastewater Facility Operators Certification Program – Facility Table of Organization

Facility owners are required to submit a table of organization to the Water and Wastewater Facility Operators Certification Program.

The above tables are samples. Facility owners may complete one of the samples, or create their own table, as long as it includes the following:

1. Name of the owner, name of the facility (facilities) and contact information;
2. Hierarchy of the organization and staffing coverage to comply with Regulation 77/2003;
3. Name, position and classification of all operators in the facility (facilities); and
4. Date (and version, if applicable) of the table of organization.

Submit Table of Organization to:
