**Re: Regional Products Ltd. Environment Act Licence #939 – Cancelled**

Thank you for your letter dated December 18, 2013 in which you indicated that Regional Products, operating a metal products fabrication facility at 455 Provencher Boulevard in Winnipeg, has significantly changed its process activities and relocated to 80 Archibald Street in Winnipeg. You described that the current operation does not discharge pollutant to the environment and requested to cancel the Environment Act Licence #939 issued to the facility. Your request has been accepted and the Environment Act Licence #939 is hereby cancelled.
