Dear Mr. Turner:

**RE: Environment Act Licence Suspension
Discharge of Woodlands Wastewater Treatment Lagoon**

This letter acknowledges the request by the Rural Municipality of Woodlands on November 1, 2017 to extend the discharge period in order to complete the discharge before the onset of winter.

I am granting a suspension of Clause 25(g) of Environment Act Licence No. 1563R pursuant to Section 18(1) of The Environment Act, which allows you to proceed with the discharge. The suspension is in effect from November 2, 2017 to November 15, 2017 inclusive for this event.

Please be advised that if weather conditions become unsuitable, discharge must cease and authorization may be revoked. All other clauses in Environment Act Licence No. 1563R remain in effect.

If you have any questions, please call Kurt Dorward, Environment Officer in Selkirk at (204) 785-0296.

Yours sincerely,
