Dear Todd Yakielashek:

**Re: Notice of Alteration - Extension of Environment Act Licence No. 2191 E**

Thank you for your request dated February 28, 2024, seeking to extend the expiry of Environment Act Licence No. 2191 E (licence) to September 31, 2024. The licence currently expires on March 31, 2024.

I amend clause 37 of the licence following section 14(2) of The Environment Act and I approve the licence to be in effect until June 30, 2024.

The extension will allow sufficient time for Manitoba to receive and consider the First Nation's reports and to work with them to implement proposed accommodation measures. This will inform the Manitoba government's decisions on the new Forest Management Plan (FMP) and the company's Forest Management Licence Agreement. Manitoba will make an Environment Act licensing decision for the FMP once the consultation is complete.

All other clauses of this licence remain in effect.

If you have any questions about this approval, please contact Bryce Wood, Environment Officer, Environmental Approvals Branch at [Bryce.Wood@gov.mb.ca](mailto:Bryce.Wood@gov.mb.ca) or 204-781-7226.

Sincerely,

  
Agnes Wittmann  
Director  
The Environment Act
