Dear Tracey:

Re: SUPPLEMENTAL FILING #1

The Keyyask Hydropower Limited Partnership submitted the Keyyask Generation Project Environmental Impact Statement (EIS) on July 6, 2012. Since that time, supplemental information which supports or updates information in the original EIS filing has been developed and finalized by the Partnership.

The Partnership is pleased to provide the following supplemental documents, in the enclosed binder titled Supplemental Filing #1:

- **Errata:** Errata and related corrections from the July 2012 Keyyask Generation Project EIS submission;
- **Updated Traffic Assessment:** An updated traffic assessment for the Keyyask Generation Project;
- **Human Health Risk Assessment:** An updated and final Human Health Risk Assessment; and
- **Traditional Plants Workshop:** A summary of a Traditional Plants Workshop that took place among the Keyyask partners last fall.

The Partnership will also be filing a report on the third round of the Public Involvement Program once it is complete later this spring.

Should you have any questions or require additional assistance, please feel free to contact Vicky Cole at (204) 360-4621.

Yours truly,

5900345 Manitoba Ltd.
as general partner of the
Keeyask Hydropower Limited Partnership
