June 15, 2016

Ms. Marlene Biles
Chief Administrative Officer
Municipality of Oakland-Wawanesa
Box 28
Nesbitt MB R0K 1P0

Dear Ms. Biles

**Re: Wawanesa Wastewater Treatment Plant Decommissioning –
Environment Act Licence No. 3317**

This is in response to the decommissioning plan for the existing Wawanesa wastewater treatment plant provided by Lin Watt of Dillon Consulting on March 30, 2016. The plan is required by Clause 38 of the above Environment Act Licence. The plant is no longer in service, since the municipality's new wastewater treatment lagoon is now in operation.

The decommissioning plan is hereby approved. As noted in Clause A of the above licence, once the decommissioning plan has been implemented, Environment Act Licence No. 642 for the plant will be rescinded. Accordingly, we would appreciate notification when the approved decommissioning is complete. This notification may be provided to Bruce Webb of this office at Bruce.Webb@gov.mb.ca.

Yours sincerely,
