Dear Ms. Kozak:

Re: Notice of Alteration - Gilbert Plains Facility – Licence No. 3191

Thank you for your letter dated September 16, 2016, requesting approval to proceed with upgrades to the existing dry fertilizer plant including construction of an inload pad planned for the site located at SE ¼ 9-25-22 WPM in Municipality of Gilbert Plains.

The Environmental Approvals Branch is processing this request as a minor alteration to Environment Act Licence No. 3191, pursuant to clause 14(2) of *The Environment Act*. It has been determined that the potential environmental effects from upgrades are insignificant and can be accommodated by the existing limits, terms and conditions of Environment Act Licence No. 3191.

I hereby grant approval to Crop Production Services (Canada) Inc. to implement the proposed alteration.

If you have any questions on this matter, please contact Ms. Krystal Penner of this office at (204) 945-7107. For any operational issues please contact the Regional Supervisor Peter Crocker at (204) 726-6565.

Yours sincerely,
