Box 160
Winnipeg Beach MB R0C 3G0

Dear Mr. Lawless:

**RE: Environment Act Licence Suspension
Discharge of Town of Winnipeg Beach Wastewater Treatment Plant and Lagoon**

This letter acknowledges the request by the Manitoba Water Services Board on behalf of the Town of Winnipeg Beach on October 23, 2017 to commence discharge of effluent outside of the discharge dates as specified in the Environment Act Licence No. 3165. Discharge outside the specified dates is required due to construction delays and operational issues of the newly constructed wastewater treatment plant.

I am granting a suspension of Clause 28(e) of Environment Act Licence No. 3165 pursuant to Section 18(1) of The Environment Act which allows you to proceed with the discharge. The suspension is in effect from November 1 to November 14, 2017 inclusive for this event.

Please be advised that if weather conditions become unsuitable, discharge must cease and authorization may be revoked. All other clauses in Environment Act Licence No. 3165 remain in effect.

If you have any questions, please contact Edwin Yazon, Environment Officer in Selkirk at (204) 785-5023.

Yours sincerely,

Don Labossiere
