Comfort Camping

Comfort Camping is the easiest way to camp in Manitoba's provincial parks. No tent? No problem! There's no need to haul a trailer or drive an RV either. Instead, stay in the comfort of a cabin or the coziness of a yurt. Comfort Camping accommodations come fully furnished and ready to enjoy. Try this unique, affordable alternative to traditional camping in Manitoba's provincial parks.

Yurts

The newest addition to our fixed-roof accommodations is the oddly-named yurt. Yurts are part cabin, part tent and 100 per cent comfortable. These large, fabric-sided, domed shelters offer an authentic camping experience for visitors who don't own, or want to bring their RV or tent with them.

Yurt features

Each yurt has windows and a skylight that opens to let in fresh air and sunshine. A lockable door provides security and privacy. Electricity, a heater and lighting are offered for your convenience.

Your home-away-from-home also features rustic log furniture, including a twin/double bunk bed, futon, table, chairs and a small storage cabinet.

Each yurt will accommodate four adults or a family of five. A small sleeping tent may be allowed in some locations as long as the allowable number of persons on site is not exceeded.*

Cooking is not permitted inside the yurt.

Campers are expected to either use the firepit or bring a campstove or portable barbecue. A picnic table is provided at each site. Yurt housekeeping supplies include a broom, dust-pan, mop and garbage bags.

All yurts are 5 metres (16 feet) in diameter and many are wheelchair accessible. In consideration of other guests, yurts are non-smoking and pets are not allowed inside yurts. Vehicles may be parked onsite at most locations.

All yurts use keyless locks. Please refer to your confirmation letter for your access code.

What to bring

You should bring all the things you need to camp such as sleeping bags, bed linens, pillows, food, eating and cooking utensils. Don't forget your sense of adventure!
