

Campground Tips

- Be Wildlife Smart. Do not feed any wildlife, including birds or squirrels. You are in black bear country - secure all attractants such as food, cooking equipment and trash in a locked vehicle. Do not store food or attractants in your tent.
- Practice Leave No Trace. Pack out all gear and trash to keep the campsites clean for others.
- Keep dogs on leash and clean up after your pet.
- Learn to recognize and avoid poisonous plants such as poison ivy.
- Open fires are prohibited. Use portable stoves or fire pits provided.
- Don't Move Firewood - Moving firewood can spread harmful invasive species and destroy our forests.
- Prevent the spread of aquatic invasive species. Always clean, drain, dry watercraft and water related equipment. Visit manitoba.ca/stopais for full regulations.
- In case of injury or illness contact a Park Attendant or Park Patrol Officer. They can assist you to reach medical help.
- Full camping regulations are available in the Campers Guide, available from park offices and online at manitobaparks.com.

● Relish in a true wilderness experience

Experience true wilderness camping at Lake St. George Campground. This quiet, peaceful location offers 28 basic campsites with picnic tables, firepits, firewood and non-modern washrooms.

Lake St. George is well-known for its excellent fishing for walleye, northern pike and perch. A boat launch and dock make this campground even more appealing. Campers can stock up on supplies at the store in the town of Dallas, 33 kilometers south of Lake St. George.

For a change of scenery, go fishing for northern pike and bass at Lake St. Andrews, just two kilometers away.

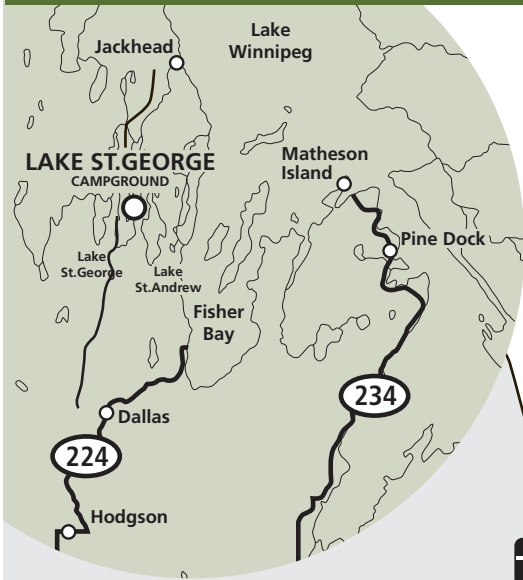

Remember: When departing from the campground, you must take all non-recyclable refuse with you.

Lake St. George Campground is located 176 kilometres north of Winnipeg.

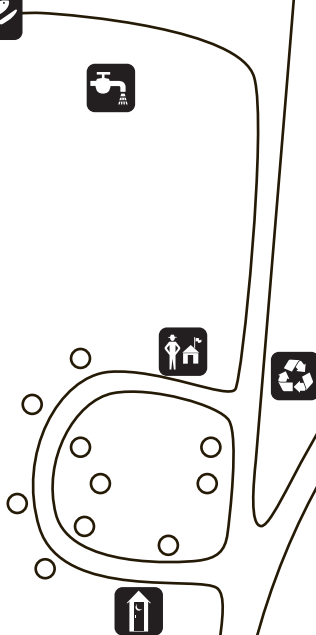

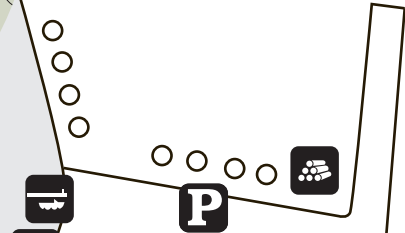

More information on Lake St. George Campground is available on request from the park office.
