

Assists eligible individuals to start their own business

- This program offers you the opportunity to turn your business idea into your own business.
- You must be able to contribute towards business start-up costs. (Your contribution could consist of a cash investment or use of personal assets like a car or computer.)
- We contract with other organizations (Service Providers) to deliver this program in the community.

What services are offered?

Support Services

Each Service Provider offers a unique program with different timeframes, course content and class sizes. All provide:

- training and supports to develop business plans and entrepreneurial skills
- individual coaching/consulting on implementing your plans

Financial Support

- we will review your request for assistance in relation to your needs, the labour market, and the availability of funds
- support for training may not be provided if you started a business on your own before being accepted into this program by Employment Manitoba
- support may not be provided if you participated in skills training in the past two years or in a self employment program in the past five years

Who can participate?

Eligibility

You may be eligible if you fit into one of the following categories:

- Unemployed or working less than an average of 20 hours/week
- Have a current or previous Employment Insurance (EI) claim
- Employed individuals who are low skilled or a lower income individual or family with dependent child(ren)
- An individual who is about to lose your job

If you meet the initial eligibility criteria, the next step is an interview with the Service Provider to assess:

- your suitability to operate your own business
- the viability of your business idea, and
- if this is the best option for you right now.
