

Skills Development Assistance

***Assisting eligible individuals who
need training to find employment***

- We provide one-to-one counselling to help you assess your need for training and develop an employment plan.
- You are generally expected to contribute to the cost of training.

What services are offered?

Support Services

- counselling and assistance to develop an employment plan
- access to information on occupations and training opportunities
- access to the Manitoba Student Aid Program if you need help to fund your contribution towards training

Financial Support

- generally 12 to 52 weeks
- up to 2 years of support may be available for training in high demand occupations
- support for training will not be provided if you started a training course on your own without prior approval from Employment Manitoba
- support for training may not be provided if you have received support from Employment Manitoba to participate in skills training within the previous two years
- we will review your request for assistance in relation to your needs, the labour market, and the availability of funds

Eligible Training

- occupational and/or skills training
- academic upgrading, literacy and/or English as a Second Language training required for skills training or employment
- apprenticeship training
- co-operative education programs

Eligible Schools

- community colleges and other public training and education institutions
- private vocational institutions
- private training organizations

Who can participate?

You may be eligible if you fit into one of these categories:

- Have a current or previous Employment Insurance (EI) claim
- Employed individuals who are low skilled or a lower income individual or family with dependent child(ren)
- In receipt of Provincial Employment and Income Assistance (EIA) benefits
- An individual who is unemployed or about to lose your job
