

# Celebrating 100 years of community partnerships

Please join us for the 2010 National Child Day Forum. This year marks the tenth anniversary of the Healthy Child strategy in Manitoba. November 16 and 17, 2010 will be an opportunity for us to reflect on the past ten years of partnerships and accomplishments and to share our collective vision for the future.

## Speakers to include:

**Dr. Fraser Mustard,**  
Head of the Founders' Network and tireless advocate nationally and internationally for early human development

**Dr. Jean Clinton,**  
Child psychiatrist McMaster University and specialist in early child development, parenting and asset building

**Dr. Dennis Embry,**  
CEO/President of the PAXIS Institute in Tucson, Arizona and national leader in prevention science

*With a luncheon address from*  
**Stephen Lewis,**  
Head of the Stephen Lewis Foundation, Canadian politician, broadcaster and diplomat

**November 16<sup>th</sup> and 17<sup>th</sup>, 2010 - Fort Garry Place**  
Registration information available in mid September, 2010.
