

**Manitoba Healthy Schools
Safety and Injury Prevention Campaign
Spring 2011**

Beautiful Plains School Division

RIVERBEND COLONY SCHOOL	\$105.25	A speaker from Safe workers of tomorrow will come and do a presentation on workplace and school safety.
CARBERRY COLLEGIATE	\$210.60	Anti-bullying initiative: pink shirt day, guest speakers RCMP liaison and DARE program
J. M. YOUNG SCHOOL	\$114.00	K-3: local fire department discuss fire safety and show truck and clothing 4-6: Host a safety presentation on Electrical safety and other "safety" ideas to do with injury prevention and the brain. 7-8: In class discussion on injury prevention and the brain
HAZEL M. KELLINGTON SCHOOL	\$227.75	Swimming Safety: Five one- hour sessions of swimming instruction for all of our grade 4 students. This will take place at our local pool during the month of June.

**Manitoba Healthy Schools
Safety and Injury Prevention Campaign
Spring 2011**

Border Land School Division

ELMWOOD ELEMENTARY	\$197.65	Bike Rodeo for the students in conjunction with Town of Altona Police safety initiatives.
WEST PARK SCHOOL	\$175.95	Bike Safety Day: have as many students bike to school and have a bike rodeo. Funds will be used to purchase helmets for the school, resources on bike safety rules and prizes for the event
RIDGEVILLE COLONY SCHOOL	\$105.25	Farm safety day with guest speakers from the local area, also ATV safety.
ROSENFELD ELEMENTARY	\$149.00	Grade 5 classes are going to Altona Rec Center to take part in 10 different booths all to do with safety.
GLENWAY COLONY SCHOOL	\$111.20	High school students will present projects on sport safety and injury prevention to grades 1-8 students
W. C. MILLER COLLEGIATE	\$261.00	Mental Health Awareness Week: topics will be focused on healthy eating, depression, suicide prevention, stress and anxiety. Guest speakers are brought in to share relevant information with the student body, lunch hour activities are staged to promote mental health, safety and promotional materials posted throughout the school.
SHEVCHENKO SCHOOL	\$231.95	Progressive Agriculture Safety Day: students have the opportunity to attend different sessions that involve fun/hands on learning on the importance of farm equipment safety, fire safety, animal safety, outdoor safety, water safety, etc.
ROSS L. GRAY SCHOOL	\$149.00	We would like to host a bike safety rodeo. We would like to invite the RCMP to help Co-host.
EMERSON ELEMENTARY	\$118.20	Will host a helmet safety initiative. Helmets (class sets) will be purchased to be used for physical activities i.e. PE classes, floor hockey, intramurals, outdoor sliding/sledding etc. We will also do a kick-off assembly with the RCMP to showcase the helmets, how to properly use them, reasoning and demonstrations of places they will be used. We will also be doing this during our bike safety week and bike rally (end of week) with the new helmets.

**Manitoba Healthy Schools
Safety and Injury Prevention Campaign
Spring 2011**

Brandon School Division

CROCUS PLAINS REGIONAL SECONDARY	\$485.00	Design and purchase signage for the gymnasium to provide safe guidelines and rules for gym use by staff and students. By having these signs it is our hope that injuries will be prevented and students will participate in a safe manner.
WAVERLY PARK SCHOOL	\$226.00	Fire Safety (K-3): touring new fire hall, completing Learn not to burn resource and field trips to local fire college. Bike Safety (K-4): host bike rodeo, have local bike retailers show safety features. Suicide Prevention (5-8). Feature safety books during library hunt for books sharing "safety" message. Playground safety - new playground to be installed so lots of demonstrations.
VALLEYVIEW CENTENNIAL SCHOOL	\$155.65	Multi-Age Safety/Anti-bullying activities-Theme (7 teachings)
ECOLE NEW ERA	\$234.75	Our middle years (gr 5/6) students were not able to participate on our division-wide soccer "jamboree" during the Fall of 2010. The problem was that protective shin pads were made mandatory and none of our students had them, nor did many of them have the means to purchase a pair. I would like to purchase a set of shin pads for the school so that in the future, students don't miss out on an activity (soccer jamboree).
RIVERHEIGHTS SCHOOL	\$229.50	Safety afternoon for K-2 run by 7/8 leadership group. Latin dance club to do a dance session to raise self-esteem (to help decrease bullying behaviour), also poster making session for playground safety rules. Also PowerPoint presentation on safe play activities.
LINDEN LANES SCHOOL	\$219.70	Think First: In our mutli-age groups we plan to hold a "Brain Day" talking about head injuries, concussion (prevention, symptoms), helmet safety, etc.
MEADOWS SCHOOL	\$261.00	Wellness day for grade 7/8 students that focuses on suicide/self injury prevention, anti-bullying, staying alcohol/drug free. We will have various speakers from different community agencies present to our students throughout the day.

**Manitoba Healthy Schools
Safety and Injury Prevention Campaign
Spring 2011**

Division scolaire Franco-Manitobain

ÉCOLE LA SOURCE	128,00 \$	Janvier-Cours RCR (personnel et élèves 9 & 10), Février-La sécurité en vélo (vente des casques de cycliste), Avril-La sécurité sur le terrain de jeu (activités planifiées), Mai : La sécurité (programme de natation pour les élèves de 1-5 année)
ÉCOLE TACHÉ	187,50 \$	Journée de formation: Sécurité à bicyclettes. Les élèves de 3e année après avoir bénéficié des leçons au sujet de la sécurité à bicyclette participeront à un rodéo à bicyclette et mettront en évidence leurs apprentissages. Le rodéo aura aussi une composante de plaisir: divers défis en bicyclette. Le tout sera animé et organisé avec des élèves d'un secondaire voisinant.
ÉCOLE COMMUNAUTAIRE RÉAL-BÉRARD	189,60 \$	Jumeler une présentation d'utilisation de casques pour la sécurité par Sport Medicine Council of Manitoba avec une activité cyclocross et vélo/course. La présentation aura lieu le matin et les activités en vélo auront lieu l'après-midi. Ici à la campagne, il y a encore beaucoup d'enfants qui se promènent en vélo, en patins à roues alignées ou encore en planche à roulettes sans porter un casque. Quoique dans les dernières années nous avons vu un accroissement du port de casques chez les jeunes. Avec cette initiative, j'aimerais en outre sensibiliser les jeunes au fait que la participation aux activités telles que : cyclocross et triathlon obligent le port du casque.
ÉCOLE ÉLÉMENTAIRE NOTRE-DAME-DE-LOURDES	135,35 \$	Leçons de natation pour tous les élèves de notre petite école rurale. Nous en sommes à notre troisième année et cette activité est très bien reçue par la communauté qui se sent rassurée pour les enfants quand les familles vont au camping ou à la pêche. La natation et la sécurité aquatique enseignée d'après les programmes de la Croix Rouge sont reconnues pour leur capacité de former des gens compétents dans les mesures d'aide et de sécurité personnelle. Notre grand défi demeure le transport de Notre-Dame-de-Lourdes à Portage-la-Prairie où se trouve la piscine intérieure la plus proche ayant un personnel qualifié.
ÉCOLE LACERTE	238,95 \$	Organiser une semaine de la prévention blessures. Commencer la semaine avec un rassemblement et un invité pour discuter au sujet des commotions cérébrales. Ensuite des activités au courant de la semaine avec de l'information du sujet de plusieurs façons de prévenir des blessures à l'école au sport et dans la communauté.
ÉCOLE SAINT-JOACHIM	207,80 \$	Organiser une sortie à vélo avec les 5 ^e et 6 ^e années. Nous allons revoir les règles de sécurité à vélo et celles routières les 3 semaines avant la sortie. Nous allons partir pour la journée en vélo avec un arrêt à un parc pour dîner.
ÉCOLE NOËL-RITCHOT	171,75 \$	Quatre équipes de soccer tentent de marquer des buts, chacune dans un des 4 coins du gymnase. C'est une façon plus coopérative de jouer, en particulier avec les jeunes d'âges et d'habiletés variées. Nous aimerons pouvoir acheter 4 filets identiques.
COLLÈGE LOUIS-RIEL	326,45 \$	Thérapie de groupe ayant des difficultés d'estime de soi et risque de comportement de se blesser (automutilation, boulimie, anorexie etc.)

**Manitoba Healthy Schools
Safety and Injury Prevention Campaign
Spring 2011**

Evergreen School Division

SIGURBJORG STEFANSSON EARLY SCHOOL	\$180.15	anti-bullying Activities=purchase books in regards to bullying and also a speaker from Safe Schools Manitoba to speak to students about bullying
WINNIPEG BEACH SCHOOL	\$150.40	Cycle safety bike rodeo: instructed on rules of the road, traffic signs, bike helmets and riding skills. Prizes related to bike safety will be distributed.
ARBORG EARLY/MIDDLE YEARS SCHOOL	\$191.00	Host a day to provide information on safe and proper use of Facebook/MSN chat - cyber bullying. (guest speakers, workshops and communication skills)
RIVERTON EARLY MIDDLE YEARS SCHOOL	\$157.75	Improving Safety Conditions in the gym: purchase mats for the gym to prevent injuries. The mats are placed on the walls of the gym using velcro so they can be removed for student use. When the mats are up, we will celebrate injury prevention at a school wide assembly, informing the students about the use of the mats and the importance of practicing safety and maintaining the condition of the new mats.
RIVERTON COLLEGIATE	\$153.20	Promotional event that will involve daily announcements and activities to get young drivers to consider responsible cell phone use (purchase posters and give away cell phone holders)
ARBORG COLLEGIATE	\$150.40	We would like to certify all our grade 10 students in CPR/First Aid. We have a certified Canadian Red Cross instructor on staff, but there is a fee of \$5.00 per course package per student. This program not only explains how to deal with accidents and situations when they occur, we also go over how to prevent these situations. Examples of topics: water safety, sun safety, falls and fractures, choking hazards, chronic disease prevention, motor vehicle safety and wilderness safety.

**Manitoba Healthy Schools
Safety and Injury Prevention Campaign
Spring 2011**

First Nations Operated

NEIL DENNIS KEMATCH MEMORIAL SCHOOL	\$261.35	"Be a Friend" anti-bullying initiative involving presentations by elders and other resource people. Also have sharing circle and workshops
PEGUIS CENTRAL SCHOOL	\$367.40	Antibullying awareness campaign: community elders' presentations (teachings of respect), poster/poetry contest, RCMP presentations on cyber bullying, Wear blue day to promote not bullying.
SAGKEENG CONSOLIDATED SCHOOL	\$213.40	Bullying Awareness Event-Rachel's Challenge Event. The funds will be used to purchase prizes and incentives for club members and students showing kindness in the school.
EBB AND FLOW SCHOOL	\$345.00	Collage from each class for the different types of safety (e.g. Bike, fire, bullying, etc)
SIOUX VALLEY SCHOOL	\$129.75	Have presenters come to our school to provide information to students about "safe talk" (strategies to deal with suicidal thoughts, how to identify suicidal signs, etc).
AMOS OKEMOW MEMORIAL SCHOOL	\$170.00	Information sessions: RCMP will talk about bus safety and slippery roads, local nursing station staff will talk about the ICE and the cold weather, guidance councillor to visit classrooms on anti-bullying/PR teacher to talk about safety in the gym and when playing outside a t recess time.
GEORGE SAUNDERS MEMORIAL SCHOOL	\$133.25	Invited Life Saving Society of Manitoba to come to the school and give a presentation on water safety procedures. Students will partake on a first-aid course and also a boat course.
ABBALAK THUNDERSHIFT MEMORIAL SCHOOL	\$177.00	MFNERC will present an information session on bullying for parents and students.
ISAAC BEAULIEU MEMORIAL SCHOOL	\$450.00	N-K: colouring contest on playground safety, bike safety, sun safety. 1-3: poster contest on playground safety, helmet etc. 4-6: Winter safety-drawing contest. 7-12: Tobacco Free-guest speaker, public health nurse, visit police station. All contests will be based on ideas of safety and injury.
DONALD AHMO SCHOOL	\$135.00	School wide poster/colouring contest on school safety. Public health and child & family services will judge.
PETER YASSIE MEMORIAL SCHOOL	\$126.25	Students are asked to concentrate on fire safety, including prevention, burn awareness, electrical fires, etc.
LAKE ST. MARTIN SCHOOL	\$137.10	The school will hold a poster contest on safety and injury prevention. Posters will reflect what students have learned about school safety that has been emphasized throughout the school year.
CHIEF CLIFFORD LYNXLEG ANISHANBE SCHOOL	\$121.00	Workshop Bike Safety: Injury Prevention Safety, Mock Crisis Evacuation and Response, Winter Safety, Water Safety, Hydro Safety. A poster contest following the workshops.

**Manitoba Healthy Schools
Safety and Injury Prevention Campaign
Spring 2011**

Flin Flon School Division

ÉCOLE MCISAAC SCHOOL	\$240.00	Purchasing several teacher resources to address bullying
----------------------	----------	--

**Manitoba Healthy Schools
Safety and Injury Prevention Campaign
Spring 2011**

Fort La Bosse School Division

MARY MONTGOMERY SCHOOL	\$154.60	Host a bike safety event, consists of a presentation and then riding their bike with a "safety adult" around the community. Funds will be used to purchase new resource materials and prizes.
RESTON COLLEGIATE	\$134.30	MADD Canada's multimedia assembly show to present to students
ELKHORN SCHOOL	\$159.85	Multimedia presentation assembly that describes drug and alcohol awareness and risk reduction.
OAK LAKE COMMUNITY SCHOOL	\$142.70	Parent information night: on the topic of emergency responses from a local EMS crew to common household injuries.
BOUNDARY LANE COLONY SCHOOL	\$104.55	Planning a farm safety day as our students live on a Hutterian colony. In groups they will prepare a learning station for them to demonstrate on others how to stay safe
RESTON ELEMENTARY	\$128.00	Provide bussing and bus driver to facilitate student attendance at a Farm Safety Day
VIRDEN JUNIOR HIGH	\$179.45	Water Safety Day: Students will participate in a farm safety day, at which they will rotate through a number of stations being advised safety advice at each station. Stations will include: farm equipment safety, fire safety, ATV safety. Sun safety and many more! A very beneficial day for all students as there is something that applies to everyone.

**Manitoba Healthy Schools
Safety and Injury Prevention Campaign
Spring 2011**

Frontier School Division

PEONAN POINT SCHOOL	\$104.20	A field trip is planned to go visit a police station and a fire station.
D. R. HAMILTON SCHOOL	\$127.30	Activities regarding bike/helmet safety, water safety, sun safety, issues before the summer holiday.
DUCK BAY SCHOOL	\$138.50	Bicycle safety initiative by purchasing 15 helmets from low cost bike helmet imitative for a Bike Rodeo
CRANBERRY PORTAGE ELEMENTARY	\$138.50	Bike rodeo to promote safety in collaboration with the RCMP (bike inspections, signals, etc.)
SAN ANTONIO SCHOOL	\$104.20	During health week we will set aside a time for students to learn about bike safety. After a couple of sessions there will be time for bicycle inspection.
WATERHEN SCHOOL	\$129.75	Each classroom will come up with a safety and/or injury prevention tip. Students will announce this tip over the PA system for the week of May 9-13. We will also contact our local Primary Health Centre for input from them. The week we have chosen coincides with our Divisional Health Week.
MATHESON ISLAND SCHOOL	\$110.15	Promote bike helmet use and to help pay for helmets for all students at the school.
LAKEFRONT SCHOOL	\$112.25	Purchase books for new library on safety topics.
THICKET PORTAGE SCHOOL	\$112.25	School safety fair with demonstrations and workshops by: fire department, health center, boat safety, quad safety, water safety, street safety.
FRONTIER COLLEGIATE INSTITUTE	\$187.50	Sport Risk and Prevention Assignment. Anti-bullying campaign
JACK RIVER SCHOOL	\$247.70	The community of Norway House is surrounded by rivers and lakes. We would like to bring in an organization to do water safety such as the Red Cross. We would like to partner up with the local parks and recreation to promote this water safety campaign.

**Manitoba Healthy Schools
Safety and Injury Prevention Campaign
Spring 2011**

Garden Valley School Division

PARKLAND ELEMENTARY SCHOOL	\$263.80	Anti-bullying Initiative: The school promotes a safe and inclusive school environment through anti-bullying initiatives such as Pink Shirt Day. At the proactive level the school has started the Roots of Empathy program intended to reduce bullying and violent behaviours while increasing empathy and pro-social behaviours. The funding would be used to support these initiatives in our school.
EMERADO CENTENNIAL	\$268.00	Bike Safety Initiative: Bike safety poster contest with prizes. Bike safety rodeo
EDELWEISS SCHOOL	\$110.50	Develop posters and laminate to display gym rules, playground safety and injury (how to treat). First Aid Kit to be made.
PLUM COULEE SCHOOL	\$178.75	Guest presenter for water/beach/pool safety and field trip to local pool.

**Manitoba Healthy Schools
Safety and Injury Prevention Campaign
Spring 2011**

Hanover School Division

SOUTH OAKS ELEMENTARY	\$210.25	Bike Safety Initiative: Bike Safety Rodeo. MPI will assist the school with this. A school assembly will take place to relay safety messages such as helmets, signalling, and light coloured clothing at night etc. Then the students will go through a series of stations by MPI personnel to encourage proper braking, turning, signalling, driving on gravel, helmet safety/fit.
BLUMENORT SCHOOL	\$251.90	Bus safety, ATV/hunter safety-a guest speaker spoke to the students about safety, Swim Safety: grade 2 swimming program, Crossing guards are trained and supervise students crossing the road, Bullying Gr. 4 students prepared plays and presented them to the school board and at the school assembly, Gr.3 classes went to the police station, bike safety.
LANDMARK ELEMENTARY SCHOOL	\$186.10	Chosen to host a bike rodeo in connection with MPI on Cycle Safety. Funding will be used to implement the program and provide prizes/refreshments for those participating.
SOUTHWOOD SCHOOL	\$308.95	Grade 4-6 and K-3 Bike safety assemblies with Constable Wynn. Hand out Steinbach's safe cycling brochures. "Wear your helmet" poster contest. Sale of low cost bike helmets at school
STEINBACH JUNIOR HIGH	\$335.90	Once resource materials/supplies arrive-I will integrate safety and injury prevention into curriculum. Students will benefit from a campaign designated towards "slips and falls" gearing it to cover many different variables(indoors ,outdoors, different seasons, etc
NIVERVILLE ELEMENTARY	\$269.75	Promoting skating safety by informing students on proper safety equipment and procedures to follow. Grant will be used to buy a set of helmets for the school to lend out to students during the skating event.
BOTHWELL SCHOOL	\$163.00	Provide supplies and training for a conflict manager program during recess time with grades 5-6
LANDMARK COLLEGIATE	\$185.75	Safety Community Forum: We are planning on having a Community forum whereby we invite students, parents, and community members to an event at school. We will be presenting the topic of online safety and use social media as it pertains to teens today.
ELMDALE SCHOOL	\$229.85	Water safety classes for grades 4 and 6
NIVERVILLE COLLEGIATE	\$222.50	Working with Eastman Therapy Centre we would like to have presentations to our students on the topic of Injury Prevention and recovery in Sport. Topics to be covered: warm-ups before and after exercise, prompting consistent quality exercise, proper nutrition and hydration, recognizing common injuries and addressing them immediately. Included information and demonstrations on best practices for speedy recovery period. Equipment use and safety: proper fit and quality.

**Manitoba Healthy Schools
Safety and Injury Prevention Campaign
Spring 2011**

Independent

CALVIN CHRISTIAN ELEMENTARY	\$199.75	Bicycle safety day: grade 2's bring bikes to school to review safety rules and practices. Water Safety: grade 6 classes before attending camp will review safety rules for swimming, canoeing and boating
WESTPARK SCHOOL	\$173.50	Bike Rodeo - cycle safety event for students in Grades K-6. Learn about correct traffic procedures and basic bike maintenance and needed safety equipment
CHRISTIAN HERITAGE SCHOOL	\$145.15	Bike Safety rodeo - students taught bike safety rules, and have their bikes checked
PINE CREEK SCHOOL	\$105.25	Every Tuesday and Thursday will discuss aspects of farm safety or bike safety. Students will participate in various activities and bring home fact sheets to share with their families
NORTHERN SHIELD ACADEMY	\$129.05	First Aid training for high school students as part of PE safety week. (Learning safety in sports, injury prevention and learning injury treatment).
BALMORAL HALL SCHOOL	\$247.00	Guest speaker Constable Fedoruk from Wpg Police Service to present about personal safety, internet safety and bullying/harassment. Wpg Fire Fighter presenting fire awareness and safety.
WINNIPEG SOUTH ACADEMY	\$122.75	Guest speaker to speak to the students about the importance of bike safety and bike safety rules. Then create posters illustrating different aspects of bike safety and display them around the school/in the newsletter
OHOLEI TORAH SCHOOL	\$104.90	Gym Safety Awareness: gather students and discuss safety concerns re: gym activities, have students identify and remove unsafe/damaged equipment and have it replaced.(i.e. Damaged hockey sticks and nets)
THE KING'S SCHOOL	\$211.65	Improving Signs that clearly designate student drop off/pick up areas: the school needs to set up a one way pickup/drop off area in order to improve safety. In the actual configuration, the lack of signs into the drop off/pick up areas put students in dangerous situations for example vehicles backing up and drivers parking in non designated areas.
COMMUNITY BIBLE FELLOWSHIP CHRISTIAN SCHOOL	\$114.00	Outdoor safety activity: inviting Tom Lyons (EMT, fireman) to come and do outdoor safety sessions with each grade (e.g. What to do when lost, hurt, how to pack survival kit)
MONTESSORI LEARNING CENTRES INC.	\$121.35	Police officer visited classes to read children and story and talk about how to be safe in the community (playing safely at the playground and in backyards, how to cross the street safely, traffic safety and some "what not to do's")
STEINBACH CHRISTIAN HIGH SCHOOL	\$182.25	Purchase 3 extra-large helmets with face masks to use during indoor/outdoor ice activities
KOLA COMMUNITY SCHOOL	\$101.40	Taking the students on a field trip to the local fire department, police station and hospital.
LAKESIDE CHRISTIAN SCHOOL	\$109.80	Visit police station. K-2: bike safety video, swimming safety, bullying prevention videos. 3-5: projects on sun safety, videos. 6-8: research summer activities and safety, fill bulletin board, present to school assembly, videos. 9: travel safety tips research on posters, present to class, videos. All: safety in water during swimming lessons.
AUSTIN CHRISTIAN ACADEMY	\$121.70	Will have a Manitoba Hydro speaker come in to discuss farm safety issues with all the students (K-12). We will also look into purchasing hockey or track and field safety equipment to increase safety of one or both of these physical education activities.
OUR LADY OF VICTORY SCHOOL	\$146.55	Anti-bullying initiative: first do survey at our school re: bullying. Then bullying workshop Grade k-4 (police, parents, staff and students) then for Grade 5-8
ST. MAURICE SCHOOL	\$322.25	Bike Safety Initiative- Presentation about helmet safety to K-8. Poster contest with prizes for top 3 in each age category.
IMMACULATE HEART OF MARY SCHOOL	\$178.40	Anti-bullying presentation for grades3-8 and then follow up with a teaching program to work anti-bullying into our school community
ST. ALPHONSUS SCHOOL	\$174.90	Improve drop off/pick up zones by increasing signage and moveable barricades and embarking on education campaign to have parents choose safe drop off points for their children.
ST. EMILE SCHOOL	\$174.55	Kindergarten class and teacher/EA's will go to the fire hall for a one-hour education tour on fire safety. Money will be used for a bus.
GLADYS COOK ED CENTRE	\$129.75	Classes would be invited to prepare a skit or rap on bullying, or safety initiatives. Will be presented to peer groups.
JOBWORKS ALTERNATIVE HIGH SCHOOL	\$117.50	Skating Safety Initiative: We would like to be able to go skating for our PE program but need helmets so all our students can participate.
PINE RIVER COUNTRY SCHOOL	\$104.20	School Bus Safety: A meeting was held to address concerns regarding safety procedures when school buses are receiving & discharging students. The meeting resulted in a number of policies being implemented to facilitate the safe arrival & departure of

**Manitoba Healthy Schools
Safety and Injury Prevention Campaign
Spring 2011**

		students at school.
MILLTOWN ACADEMY	\$106.65	Standard First Aid course with CPR and AED stressing the hazards in situations to prevent injuries
CASA MONTESSORI AND ORFF SCHOOL	\$128.35	Visit Fire Station, plan for fire and safety at school and at home.

**Manitoba Healthy Schools
Safety and Injury Prevention Campaign
Spring 2011**

Interlake School Division

KELSEY SCHOOL	\$116.80	Arranging a presentation by the "Kids on the Block", puppet group by the Independent Living Resource center geared towards teaching students about peer pressure and bullying
PRAIRIE BLOSSOM SCHOOL	\$106.30	Attend a farm safety program for students' grades 5-8. Also have a public health nurse come and discuss hand washing with younger students.
GROSSE ISLE SCHOOL	\$115.05	Bullying awareness week: Bullying stats read over the PA, school counsellor will have discussions/activities in the classrooms, books and resources will be bought and run team building activities.
STONEWALL CENTENNIAL SCHOOL	\$209.55	Grade 5 Safety program booklet taught by teachers (first aid, poison, fire, electricity, water, sun, road, bike and internet safety). Grade 6 farm safety day and Grade 7&8 internet safety program, personal safety taught by teachers.
BALMORAL SCHOOL	\$137.45	Grade 8 students will participate in a full day First Aid course taught by a Red Cross instructor.
MALLARD SCHOOL	\$107.70	Invite a guest speaker to present on the dangers of riding a bike or rollerblading without a helmet. Also purchase bike helmets for our 10 students in grades 1-4.
TEULON ELEMENTARY	\$182.60	Purchase 14 multi-purpose helmets from MPI for Winter activities such as snowshoeing, ice skating, cross-country skiing, curling, etc.
BRANT-ARGYLE SCHOOL	\$115.75	Roots of Empathy: supported by Healthy Child Manitoba using a baby in the classroom to teach empathy/Safe and Caring Schools. A school wide program to create a safe and caring environment for all students/Ski do safety-a presentation on Ski do and all terrain vehicle safety (widely used in this area)
WARREN ELEMENTARY	\$166.50	Safety announcements will be made during the month of April regarding ATV safety and safe play around ditches, ponds, lakes and culverts. We are looking at bringing in the RCMP to talk to our students regarding ATV safety and laws. We are looking at bringing in speakers from Natural Resources to discuss spring flooding danger. Students will quizzed on the announcements for prizes.
NEW HAVEN SCHOOL	\$106.30	Teach a unit of Bike Safety in health class and have a Bike Safety fair to have students demonstrate safety rules. Funding will be used to purchase prizes, any necessary supplies and perhaps a guest speaker.
LIGHTLY SCHOOL	\$107.70	Use health classes to discuss safety around the colony, school gym and playground. Create a bulletin board to display to the community. Prizes will be awarded to students who demonstrate good safety habits.

**Manitoba Healthy Schools
Safety and Injury Prevention Campaign
Spring 2011**

Kelsey School Division

MARY DUNCAN SCHOOL	\$209.20	Anti-bullying initiative - Facebook focus
KELSEY COMMUNITY SCHOOL	\$242.45	Bicycle Safety Rodeo: MPI will come to our school to run their advertised Bicycle Safety Rodeo. Additional stations will be included to ensure as many safety concerns as possible are covered. Only students with proper equipment will be able to participate in the practical part of the rodeo. All students are expected to participate in the presentation portion. Students will be eligible to participate in draws for prizes of bicycle helmets and other riding/safety gear.
ÉCOLE OPASQUIA SCHOOL	\$215.85	Bike Safety Rodeo: number of stations to concentrate on road safety, equipment safety, and personal safety while riding a bike. Water, snacks and prizes (including helmets) will be available to children who complete the safety training and course.
SCOTT BATEMAN MIDDLE SCHOOL	\$228.45	Making a video with students about safety and injury prevention in the gymnasium. Upon completion, the video will be distributed to all health classes in the classroom.

**Manitoba Healthy Schools
Safety and Injury Prevention Campaign
Spring 2011**

Lakeshore School Division

FISHER BRANCH EARLY YEARS SCHOOL	\$129.75	Like to hold a day that highlights the multiple intelligences in our school, and have activities that demonstrate respect and safety to decrease bullying. Also, would like to offer physical activity stations that will include the importance of wearing helmets/protective gear
ALF CUTHBERT SCHOOL	\$131.50	Safety Day, On-going Safety Awareness Campaign: A committee of parents, staff and local volunteers will run a day program of 8 stations (resources and speakers) on several safety topics: bike safety, sun safety, ATV safety, water safety, farm equipment safety, small power tool safety, playground safety, and simplistic first aid. On-going the topics will be discussed in the classrooms: skits, posters, songs to be presented at an assembly.

**Manitoba Healthy Schools
Safety and Injury Prevention Campaign
Spring 2011**

Lord Selkirk School Division

LOCKPORT SCHOOL	\$243.50	Anti-Bullying Campaign/Safe Driving: Two activities to improve safety in our school and community. Pink Shirt Day: this is an anti-bullying campaign which asks students to pledge to a bully-free life. A school wide day of action where students will wear pink t-shirts and clothing to show their support of a bully-free school, to be held on Feb. 23, 2011. School wide assembly with a guest speaker. Topic: distracted and impaired driving, seat belt use, and prevention of risk taking in a vehicle. Guest speaker will be at our school on Feb. 22, 2011.
CENTENNIAL SCHOOL	\$149.00	Grade 5 health projects on equipment safety (focus on equipment needed for their sport or activity). Topics include skating/hockey, snowboarding, cycling, rollerblading, etc.
WILLIAM S. PATTERSON SCHOOL	\$172.10	Having ATV/snowmobile safety presentations for grades 1&2 and 3-6.
ROBERT SMITH ELEMENTARY	\$164.05	School Renewal Council: School wide behaviour plan: the plan takes on two parts; revisiting of the rules for classroom, gym, hallway, bathroom and playground with focus on safety and a positive school culture. Part two: communicating the plan to students, staff and community (stakeholders) through assembly, parent advisory council, newsletters and signage.
LORD SELKIRK REGIONAL SECONDARY	\$533.65	Self Defense Guest Speakers: instructors from local Judo and Tai Kwan Do programs as well as from the local correctional institution will be brought in to Gr 12 Physical Education classes to demonstrate a variety of self-defence techniques over 2 four class periods.
MAPLETON SCHOOL	\$146.20	Snowmobile/ATV Safety: Many students who come from families that ride snowmobiles or ATVs as many have farms or acreage. Would like to get a speaker to come in to talk about safety of these vehicles.
DAERWOOD SCHOOL	\$152.50	Students in earlier grades will be taught helmet safety in health class, road safety and the importance of making sure your bike is in working order. The grade6 students will do projects related to these safety issues and set up a bicycle rodeo for the younger students. They will make street signs and design a course for the students to ride a bike through. Students in grades 4 & 5 will design ads promoting the use of helmets and/or promoting road safety.
HAPPY THOUGHT SCHOOL	\$205.00	To promote playground safety in September of next year students will brainstorm safe ways to play on the playground and safe games. Leadership students to teach the younger students new games for the playground using equipment.

**Manitoba Healthy Schools
Safety and Injury Prevention Campaign
Spring 2011**

Louis Riel School Division

SAMUEL BURLAND SCHOOL	\$245.25	Activities to decrease bullying
HASTINGS SCHOOL	\$191.00	Be having a guest speaker and setting up an injury prevention station at a school literacy night. Great combination of academics and student well being.
DARWIN SCHOOL	\$179.45	Bicycle Safety Month (May): teaching safety and riding skills, each grade will have 80 minutes per week on safe cycling on and off road. Will introduce students to the bicycle path along the Bishop Grandin Greenway as well as plan safe cycling routes to school. Mr. Coates has a Level-2 Can-Bike instructor as well as a certified Mountain Bike Coach, who will be teaching the initiative.
J. H. BRUNS COLLEGIATE	\$365.30	Bike Maintenance and Safety: we are bringing in a speaker from a bike shop in Winnipeg to discuss safety on and off the mountain biking trail. They will also discuss street riding do's and don'ts and how to maintain your bike to avoid preventable accidents.
ÉCOLE HOWDEN	\$182.25	Conscientiser les élèves, création de mini projets en petits groupes sur la signification de la prévention et de la sécurité dans le domaine choisi par les élèves. Partage en classe et discussion adapté au niveau de l'élève, choisir un domaine, soit la sécurité dans les sports, dans la cour d'écoles, dans les voitures, dans nos relations avec les autres, etc.
ÉCOLE VARENNES	\$191.70	Funds will be used to purchase equipment to promote cooperative, safe play. Teaching Safe Recess Games during lunch hour and recess intramurals.
WINDSOR PARK COLLEGIATE	\$265.55	Going over risk management in downhill skiing, cross country skiing, water safety and bike safety.
ARCHWOOD SCHOOL	\$137.80	Host a spring bike safety awareness day. Bike safety specialist speak about bike safety/road safety/bicycle maintenance
HIGHBURY SCHOOL	\$240.00	K-2 Bike Rodeo: working on safety K-8 Helmet Safety (presentation)
COLLÈGE BÉLIVEAU	\$296.00	Nous offrons à tous nos élèves une présentation par l'organisme MADD (Mother's Against Drunk Driving). La présentation est pour sensibiliser nos élèves des conséquences de la conduite en état d'ébriété. La présentation multimédia se fait en français et est d'une durée d'environ 90 minutes. La presentation aura lieu le 11 mars, 2011.
ÉCOLE GUYOT	\$212.00	Skating and Helmet Safety: the students will have time to practice falling, maintaining control and getting back up as well as discussing helmet types and fitting I preparation for the event.
COLLÈGE JEANNE-SAUVÉ	\$296.70	To invite a physiotherapist to do a presentation to our athletes in the school regarding concussion awareness.

**Manitoba Healthy Schools
Safety and Injury Prevention Campaign
Spring 2011**

Mountain View School Division

HENDERSON ELEMENTARY	\$187.50	Anti-bullying Awareness and Prevention-funding will be used to purchase prizes (pink t-shirts) and resources (Bully-boy, Gossip Girl comics). Parents will be invited to attend.
OCHRE RIVER SCHOOL	\$123.10	Bicycle Rodeo dealing with bike safety, 10 events and a bicycle inspection station. Also have videos and RCMP come in to do a presentation.
SMITH-JACKSON SCHOOL	\$129.75	Bicycle Safety Rodeo: a series of sessions, students will bring their bikes to school and will have a rally. The students will ride through town and practice safety rules. Students will stop at a park and have lunch and demonstrate their rules, before riding back to school.
ETHELBERT SCHOOL	\$134.65	Bike rodeo - poster contest emphasizing bike safety and helmets. No Bullies Here presentation and hands on activities. Summer safety project - posters and projects on water safety, sun awareness and playground safety
LT. COL. BARKER V.C. SCHOOL	\$190.30	Bike Safety week in the spring. During the week we will do a school wide bike safety campaign. We would like to invite a member of the RCMP to do a presentation on bike safety and also hold a school wide poster contest. The money from this grant would go toward prizes for the poster contest and materials needed to promote the campaign. Many of our school population ride their bike to school. This event will be a great reminder for them to be alert while biking.
WINNIPEGOSIS ELEMENTARY	\$140.25	Farm Safety awareness day
MACKENZIE MIDDLE SCHOOL	\$191.00	Health and Wellness week: providing a healthy snack one morning, speakers on fitness, nutrition, yoga (Dauphin Rec), cyber bullying (RCMP), handling stress. Student council will do daily announcements - safety.
GILBERT PLAINS COLLEGIATE INSTITUTE	\$130.10	Improving Safety on Ice: funds will go towards purchasing ice hockey helmets that our students can wear when we go to the rink for skating and broomball. Right now, our students have to share helmets as we do not have enough for everyone!
GILBERT PLAINS ELEMENTARY	\$163.00	To purchase safety equipment (safety goggles, safety gloves) for use by the grade 5-8 students. This will be used for the science room.

**Manitoba Healthy Schools
Safety and Injury Prevention Campaign
Spring 2011**

Park West School Division

HAMIOTA COLLEGIATE	\$154.95	Anti-bullying: every Friday the school will have small presentations for our hallway TV on bullying problems it has caused and can cause. We have done one such activity already where students wore shirts that said "We will not be silent" to support anti-bullying. This will continue for the next two months. Items will be given away to students who take the time to listen to the anti-bullying message.
MAJOR PRATT SCHOOL	\$275.00	Bike Helmets for Families: Despite the fantastic Low Cost Bike Helmet initiative some of our low socio-economic families still cannot afford bike helmets. In the past the school has passed out extra helmets that were purchased, the funds will allow us to continue these efforts.
BIRTLE ELEMENTARY	\$136.40	Bike Rodeo and Safety Training. The afternoon will begin with a whole school assembly and guest presentations will provide information on safety, rules of the road, helmets, hand signals etc. Students will observe demonstrations and will present their own bikes for safety inspection, sizing tips and basic repair instruction. An outdoor course will be set up for student practice and participation in events. Prizes will be awarded and safety equipment made available.
INGLIS ELEMENTARY	\$120.65	Farm safety presentation made by Manitoba Farmers with Disabilities. Purchase "Safe farms, Safe families" interactive CD
DECKER COLONY SCHOOL	\$110.85	First-Aid course: Would like to purchase texts and other supplies to teach our students the basics of First Aid & CPR along with our "Injury Prevention" unit.
BIRTLE COLLEGIATE	\$147.60	Hosting a "stop/walk/talk" school safety campaign: program will highlight the impact that one person can have on a situation by just stopping beside the person being bullied, taking them with them and walking away and talking to them about leaving the situation. Will be having a student video/scenario competition, and poster campaign.
ROSSBURN ELEMENTARY	\$140.95	K-5 will participate in bicycle rodeo run by grades 6-8 and police. Progressive Agriculture safety day for grades 5&6 to learn about potential dangers and safety aspects to prevent accidents (e.g. ATV safety, sun, gun, grain, etc). Responsible use of Technology - including texting, email and social networking
HAMIOTA ELEMENTARY	\$135.70	Playground Safety Initiative: In April there is a plan to have students develop different presentations on danger areas of our playground and how to prevent accidents from happening. Each class will pick an area that they think is a danger spot and will present to the rest of the school possible problems of this spot and solutions. They will also be helping to maybe point out equipment that needs to be replaced.
BINSCARTH ELEMENTARY	\$130.80	Purchase signs showing "enter" and "exit" to place in after school pick up area to make it safer.
STRATHCLAIR COMMUNITY SCHOOL	\$157.75	Students research dangers and risks associated with activity they choose (that they are involved in at home or in phys.ed) and research a specific injury related to their activity
SHOAL LAKE SCHOOL	\$163.00	Would like to have a Summer safety campaign with contests, prizes and speakers to help apply students' water safety in the pool to summer safety at lakes, campgrounds.

**Manitoba Healthy Schools
Safety and Injury Prevention Campaign
Spring 2011**

Pembina Trails School Division

DALHOUSIE SCHOOL	\$227.75	Bicycle Safety Rodeo
RIVER WEST PARK SCHOOL	\$170.00	Bicycle Safety-Would like to award small prizes to students that are "caught doing it right" that is wearing helmets when biking/skateboarding to school.
BEAUMONT SCHOOL	\$191.70	Bike safety afternoon for grades 1-2: bicycle rodeo. Presentation by MPI road safety demonstrators on Bike Fit, helmet fit and safe riding practices.
GENERAL BYNG SCHOOL	\$215.85	Bike Safety Initiative: A school wide assembly promoting safe cycling as a lead up to the Commuter Challenge. Students in Outdoor Education classes will evaluate safe cycling routes to General Byng School as part of the development of a broader School Travel Plan Initiative. Safe Routes map will be presented at the assembly, along with demonstrations of the value of wearing a bike helmet, and a student produced video about how to ride safely and which areas in our locality present hazards.
R.H.G. BONNYCASTLE SCHOOL	\$216.20	Bike Safety Week (grade 3). Guest Speaker - bike safety/helmet presentation. Kindergarten students to visit local fire department. Injury prevention tips announced over the PA for 1 week. Review of playground safety guidelines, copy of rules given to each class, PE class to review safety measures/games. Improve safety signs (parking lot, drop off/pick up area). Fire safety presentations.
CHAPMAN SCHOOL	\$128.35	Grade 3-4 class will participate in the Red Cross Swimming program during school time.
BEAVERLODGE SCHOOL	\$170.00	Helmet Safety: There are a number of activities that require the use of helmets. For example, unicycling. Bike safety and tobogganing. The school requires helmets for use at school. There will be a campaign on the importance of helmets using THINK First Resources, will have MPI come out and do a Bike safety program for our school.

**Manitoba Healthy Schools
Safety and Injury Prevention Campaign
Spring 2011**

Pine Creek School Division

MACGREGOR ELEMENTARY	\$199.75	Anti-bullying campaign. A group of leadership students will be preparing and presenting to students at our schools as well as other schools in the area.
CASCADE COLONY SCHOOL	\$104.20	ATV Safety: due to the amount of ATV use on the farm and students participation on the farm, the strong likelihood of injury can occur. Although students are provided with safety lessons, it is important that it gets refreshed periodically. Students will participate in an ATV safety campaign to help self and others refresh awareness of ATV safety through making signs, designing safety decals and public community presentation.
PLUMAS ELEMENTARY	\$114.00	Bike Safety presentation by RCMP, following the presentation will have a quiz at the end and prizes will be awarded. Bike Rodeo: students will be asked to bring their bikes and use some of the newly learned skills in a competition. Prizes will be given. Completion certificates/ribbons followed by snack
FOREST HOME SCHOOL	\$107.35	Farm Safety: students will have a day's event to have an overview of Farm Safety, see videos, have discussions, guest speaker, actual demos and stations set up where they can get a better feel of things.
BEAVER CREEK SCHOOL	\$107.70	Farm/Community Safety evening. Students will present safety projects and receive prizes.
WEST PLAINS SCHOOL	\$112.60	Invitations to guest from Safe Workers Manitoba to come and give a presentation to our students. They are coming on April 5, 2011.
GLADSTONE ELEMENTARY	\$156.35	Learn importance of safety while cycling: shown the proper way to fit a helmet, discuss importance of wearing a helmet, learn proper hand signals and discuss risk factors of sharing roads with vehicles
MACGREGOR COLLEGIATE	\$184.00	MADD Presentation: Safety issue-drinking and driving, April 21 @10:30. Presentation includes issues of peer pressure, underage drinking and drug use. Peer helpers will create bulletin board displays prior to this event depicting current facts, statistics etc. Counsellors will be available following the event for student debriefing, classroom teachers will elicit feedback and reflection time for students. Peer helpers will hand out "information" & MADD cookies @ noon on the 21st. AFM speaker 9-12 PE classes.
AUSTIN ELEMENTARY	\$146.55	Safety day will be held to educate students on bike safety, farm safety and fire safety. Speakers will meet with groups for an interactive educational day.

**Manitoba Healthy Schools
Safety and Injury Prevention Campaign
Spring 2011**

Portage La Prairie School Division

FORT LA REINE SCHOOL	\$149.70	Bike Safety Day: working with local RCMP detachment, we will have a rodeo during the day for our students and we will have draws for prizes of bike helmets.
ÉCOLE CRESCENTVIEW SCHOOL	\$244.20	Bike Safety presentation for grade 3 and 4 students with a member of the local RCMP. Purchase bike helmets for students who have not already or cannot afford purchased one from MDA.
SOMMERFELD COLONY SCHOOL	\$106.30	Farm Safety day and three lessons of Bike Safety.
SUNNYSIDE SCHOOL	\$109.80	Farm Safety Day Camp: in correspondence with Progressive Agriculture. Students will participate in 15 different safety stations throughout the day. The stations include, PTO & Tractor Safety, Bike Safety, Grain Safety, Police and Ambulance, Water Safety, Chemical Safety, ATV Safety, Hand Tools and much more. Students will learn hands on about the dangers as the students at Sunnyside live on the farm.
PORTAGE COLLEGIATE INSTITUTE	\$467.50	Grade 9 wellness morning with the following topics: internet safety/sexting, suicide prevention, self harm and healthy relationships
ÉCOLE ARTHUR MEIGHEN SCHOOL	\$213.05	Internet safety presentation for grade 7 classes, mental presentation for grade 8s
WESTROC SCHOOL	\$111.90	Invite a guest speaker to present on water safety around pools/rivers. Provide learning material for the students such as life jackets, water wings, floating devices, nose/ear plugs. Rent a doll to demonstrate CPR. Purchase books for children on water safety
OAKVILLE SCHOOL	\$152.50	We will be doing several safety events this year. MPI will come out to do a bike safety presentation, bike check-up and bike rodeo. A rep from Central Plains Cancer Care will teach the students about sun safety. A locally trained person will be doing a farm safety presentation in the spring (we do this Spring and Fall).

**Manitoba Healthy Schools
Safety and Injury Prevention Campaign
Spring 2011**

Prairie Rose School Division

ELM CREEK SCHOOL	\$165.10	Anti-bullying "pink shirt day" or "bullying stops here" day. Spent money on poster creation by students, on pink t-shirts with a no bullying stop sign on them, or on random acts of kindness projects that day.
ROLAND ELEMENTARY	\$122.40	ATV/Snowmobile Safety Presentation. Jimmy Mac Safety Instructor, (safety, importance of vehicle inspections, wearing helmets, carry cell phone, having a safety plan, following road rules)
ST. FRANCOIS XAVIER COMMUNITY SCHOOL	\$154.95	Bicycle Safety workshop. RCMP will assist with planning the event. Stations will be set up for participation in workshops such as taking care of your bike and riding safely through a "road" course.
STARLITE COLONY SCHOOL	\$119.95	Bullying Prevention; Bring in a guest speaker and purchase resources to support our goals on this theme.
ST. PAUL'S COLLEGIATE	\$166.15	Mock Accident Event-impaired while texting and driving, then following a debriefing with the professional who respond to accidents and deal with safety on a daily basis. Hosting speaker, "Bubba B" who will talk about safe, sober choices.
ST. LAURENT SCHOOL	\$173.50	Poster contest to decrease bullying
BON HOMME COLONY SCHOOL	\$106.65	Purchase anti-bullying material to promote cooperation and bullying awareness
BARRICKMAN COLONY SCHOOL	\$110.85	School wide safety theme covering topics such as First Aid, Bike, Water, Fire, and Stranger safety. Inviting local ambulance and Canadian Red Cross to do presentations

**Manitoba Healthy Schools
Safety and Injury Prevention Campaign
Spring 2011**

Prairie Spirit School Division

GLENBORO SCHOOL	\$182.95	Bike Safety Rodeo: presentation on general safety, bicycle repair and importance of using a helmet. As well as a safety poster contest
WILLOW CREEK COLONY SCHOOL	\$111.90	Due to tobacco and alcohol use by young teens I would like to implement a D.A.R.E program at our school. The funding would be used to finance this program in conjunction with the colony. Also since many young people are choosing to leave I want them to be informed of the danger of drugs.
WINDY BAY SCHOOL	\$105.60	Farm Safety Day: colonies gather together every other year for the farm safety presentation day.
WESTMOUNT SCHOOL COMPLEX	\$142.00	Farm Safety Day: this is a full day event with hands on learning activities that teach about ATV safety, 911 calls, seat belt safety, hazards around the farm equipment, grain, animals etc. With presentations by the RCMP and other community members.
ÉCOLE SOMERSET SCHOOL	\$151.45	Grade k-6 Farm Safety Day: raise awareness of the dangers when living/visiting a farm (joint partnership with Lorne Family Resource Connections and Lorne Recreational services). Grades 7-12 Norbert Geoget "The Smart Youth Power Assembly": presentation on adolescent and teen problems/issues
BALDUR SCHOOL	\$149.70	Helmets for use cycling in PE class. The development of biking and hiking trails in the community allows incorporation of the PE curriculum. Objective to ensure safety during this activity by accessing the low cost bike helmet initiative.
TREHERNE ELEMENTARY	\$129.05	Local fire department will bring fire trucks to the school for students to observe. Fire dept. will discuss the importance of fire safety. Local RCMP will bring cruiser to the school for students to look at and RCMP will present on the importance of seatbelts and bus safety.
CRYSTAL CITY EARLY YEARS SCHOOL	\$135.00	Purchase signs that clearly designate student drop off/pick up areas. This is a concern with parents/visitors driving in the area zoned for buses.
SHADY LANE SCHOOL	\$111.55	Travel to another colony to attend Farm Safety Day
CARTWRIGHT SCHOOL	\$132.90	Workshop focusing on student well being, anti-bullying, drug awareness and making good choices. Also a member of the RCMP presenting to middle years and high school students about the dangers of sexting.
STE. MARIE SCHOOL	\$113.30	Would like to purchase yoga mats for our program because students slipped and were unable to balance on gym mats.

**Manitoba Healthy Schools
Safety and Injury Prevention Campaign
Spring 2011**

Red River Valley School Division

MORRIS SCHOOL	\$258.20	Bike safety presentation with the RCMP being planned in conjunction with a safety fair day. Plan is to incorporate a variety of community agencies including first aid - paramedics.
ROSENORT SCHOOL	\$184.00	Bike Safety-host a bike day, speaker, training sessions in the am. Bike ride on comm. trail (healthy lunch) return to school. Hand out reflective tape/blinkers etc.
ÉCOLE SAINT-MALO SCHOOL	\$149.35	K-4 will participate in a water safety program at the local pool. 5-8 atv safety presentation
J. A. CUDDY ELEMENTARY	\$166.85	Together with MPI we plan on hosting a bike training and rodeo event sometime between June 21-23. This will include a classroom component and a practice component for students in our targeted age group.
STARBUCK SCHOOL	\$156.00	Weekly swimming instruction/water safety awareness classes. K-3 students will attend from Jan 12-March 23 and 4-8 will attend from April-June (at U of MB)

**Manitoba Healthy Schools
Safety and Injury Prevention Campaign
Spring 2011**

River East Transcona School Division

RADISSON SCHOOL	\$170.35	"Caught using your Head": students will be given tickets for being caught wearing a bike helmet, when a student receives 3 tickets they can be redeemed for a prize.
POLSON SCHOOL	\$152.50	1 period/cycle as lessons for anti-bullying strategies. The students will be mixed from grades 1-6. Anti-bullying boxes will be placed in each classroom, library and office where students can confidentially put comments in
JOHN W. GUNN MIDDLE SCHOOL	\$230.55	Bike safety: every student caught riding their bike to school wearing a helmet will receive a ticket which is put in a draw (draw done every day for that week). Teachers in outdoor ed will teach a unit on bicycle safety and helmet usage.
JOHN DE GRAFF SCHOOL	\$237.90	Bike Safety: Rules of the road/bike, provide teaching support, speakers, bike rodeo, video presentations, highlight school and community safety practices
BERTRUN E. GLAVIN ELEMENTARY	\$191.35	Gator club/high five tickets given to students who respect physical space of others/positive behaviour. And students will complete a student survey on "Safety" for future school goals.
KILDONAN-EAST COLLEGIATE	\$531.20	Group of students attending the Respect Ed Youth Leadership conference which focuses on promoting safety in the school. Group will then plan initiatives for the school.
HAMPSTEAD SCHOOL	\$156.00	Hampstead Bucket Filler Activity: based on a book "Have You Filled A Bucket Today?" The students will be demonstrating their ability to be bucket fillers through everyday acts of kindness. Staff will acknowledge students that are noticed to be doing acts of kindness by giving them a heart with their name and the act of kindness on it. The student will bring their heart to the office. The heart is read and posted on the recognition board. The student is given a prize and their name is entered in a draw for the grand prize. This activity will run for the month of February.
SHERWOOD SCHOOL	\$133.25	Hold an assembly with the topic of bike safety: give facts, show videos and demonstrations and make draws for a free helmet by answering bike related safety questions.
ÉCOLE MARGARET-UNDERHILL	\$175.95	Invite MPI to come for a bike safety workshop.
DR. F.W.L. HAMILTON SCHOOL	\$187.15	KIDS on the block, Fair Play initiative. Bike safety presentation during phys ed classes
ÉCOLE REGENT PARK	\$214.80	La Sécurité Bicyclette: Dans le cadre de notre club de vélo, nous allons faire la promotion de la sécurité bicyclette et aussi faire la promotion du port du casque. A la fin de l'année lors de notre voyage de camping, vélo les élèves auront une meilleure idée de comment partager la route avec les autres véhicules.
HAROLD HATCHER SCHOOL	\$247.70	Physical Activity Campaign: Field Day: Our equipment and supplies are limited, the funding will be used to purchase ropes, pylons, prizes/stickers for the students
TRANSCONA COLLEGIATE	\$327.50	Purchase safety eye protection for floor hockey and other gym activities. Also purchase a set of helmets for rollerblading
PRINCESS MARGARET SCHOOL	\$250.15	Safety Day: promotion of wearing bike helmets, promotion of safe driving speeds around the school, safety announcements over the PA, use of parking signs to designate safe drop off/pick up zones, safety posters and contest. Students, staff and community will be involved.
PRINCE EDWARD SCHOOL	\$156.70	School Safety: Bike Safety, water Safety, Road Safety. We would like to bring in speakers or guest presenters for Bike, Water and Road Safety. We already participate in the Low Cost Bike Helmet Initiative.
DONWOOD SCHOOL	\$240.00	School-wide safety day with a variety of presenters. Topics will include bike safety, fire safety, internet safety and sun safety.
CHIEF PEGUIS JUNIOR HIGH	\$275.00	Students in outdoor ed program are being certified in CPR/First Aid to be lunch time monitors in the playground and field area. Funding will be used to help cover the cost of certification and vest for their duty
WAYOATA SCHOOL	\$171.05	Students view a film entitled "Gearing up, a guide to safe cycling", and then each classroom will participate in a poster contest promoting positive bicycle ridership. Purchase bike locks, biking gloves, water bottles, and helmets for prizes.

**Manitoba Healthy Schools
Safety and Injury Prevention Campaign
Spring 2011**

ANGUS MCKAY SCHOOL	\$151.45	Sun Safety: use the funds to purchase prizes to hand out to students wearing hats at recess. The prizes will reinforce the importance of wearing hats. This is done to encourage the students to wear hats on this day as they are being exposed to the sun rays for an extended period to time.
COLLÈGE PIERRE-ELLIOTT-TRUDEAU	\$221.80	Teens against Drunk Driving assembly. Comité d'unité will do a poster campaign to alert the student body on the perils of drinking and driving.
EMERSON ELEMENTARY	\$170.00	Various activities: Playground safety in September: safety on play structures, teachers focus on internet safety at beginning of school year, PE activities: equipment and ice safety at curling rink, in May: grade 6 students' babysitting course including First Aid, in June: students taught about Sun Smart.
ARTHUR DAY MIDDLE SCHOOL	\$234.40	We have a philosophy of respect at Arthur Day: respect for self, others and their property. Will create and purchase magnets with school logo and our three respect initiatives for each student to put on their home fridge.
WESTVIEW SCHOOL	\$156.70	Will hold a weekly, after school cross grade level bicycle safety and riding club. The funds will be used for; honorarium for guest speaker, school purchase of safety equipment, helmets for students without so they may be included, water bottles and healthy snacks.
BIRD'S HILL SCHOOL	\$205.70	Work on school and playground safety, by creating posters of these expectations and purchase more posters.

**Manitoba Healthy Schools
Safety and Injury Prevention Campaign
Spring 2011**

Rolling River School Division

TANNER'S CROSSING SCHOOL	\$231.25	Bike Safety week and Rodeo- invite MPI speaker to speak about bike safety.
OAK RIVER COLONY SCHOOL	\$104.55	Each student will make a display with safety as the topic: bike safety/playground safety/sun safety/water safety/fire safety and invite parents and community members to share the presentations
DOUGLAS ELEMENTARY	\$127.30	Fire Safety presentations by the Fire inspector and purchase as many smoke alarms as possible to distribute to families once completed.
RIVERS COLLEGIATE	\$158.45	MADD presentation in April 2011 for all students in the school. At a cost of \$100.00, the focus is on safe driving, not driving and texting, consuming alcohol or drugs. In addition to this, we would like to have our middle years students research different safety issues (farm safety, sun safety etc.) and do a proper contest. We would use the remainder of the funds to purchase prizes for that contest. These two activities ensure that all students are part of safety and injury prevention.
FORREST ELEMENTARY	\$162.30	Plan is to teach the Red Cross "People Savers" program to our students. Classroom teachers will train as facilitators; booklets will be ordered through Red Cross and will teach the program in our Health time.
ELTON COLLEGIATE	\$159.50	Presentation to students on the dangers of using alcohol prior to driving
OAK RIVER SCHOOL	\$107.70	Safety Day: will have a variety of stations set up for students to visit and learn about. Some examples are bike safety with a school bike ride and safety activities, sun safety with UV detection beads, sun sensitive paper activities. Farm and Water Safety: will bring in guests.
ERICKSON ELEMENTARY	\$142.00	School wide tour of local fire hall and safety presentation by local firefighters. Bike safety presentation by the local RCMP - possible bike rodeo.
ERICKSON COLLEGIATE INSTITUTE	\$149.00	To be involved with "the Pink shirt" campaign, an anti-bullying initiative. Planning a parade (students wearing pink). Afterward a healthy snack and beverage.

**Manitoba Healthy Schools
Safety and Injury Prevention Campaign
Spring 2011**

Seine River School Division

ÉCOLE LORETTE IMMERSION	\$190.65	Bike Safety during Health and PE Classes: teachers will teach bike safety during their health class and I will have a bike rodeo event in the gym during their PE classes.
PARC LA SALLE SCHOOL	\$145.50	Bike Safety: A Cycle Safe Bike Rodeo through MPIC. All the students (gr 1-4) will receive bicycle safety training, both theory and practical.
DAWSON TRAIL SCHOOL	\$250.50	Bike Safety: Bike safety workshop during the school/parent BBQ on June 7, 2011. Material will be purchased to advertise for the event. Will purchase bike helmets to give away as prizes to students who participate in the workshop. The local Optimist Club to help host the event.
LA BARRIERE CROSSINGS SCHOOL	\$145.15	Grade 6 participating in Swim Safe program. Holding a bike/board safety and repair workshop and encourage wearing a helmet. Health program includes Kids in the Know teaching students about internet safety and bullying. Community police officer coming to give workshops on bullying
ARBORGATE SCHOOL	\$223.55	Presenter: Jim Makowski: snowmobile and ATV safety, for riding practices, farm machinery and equipment. This is important for the students especially being in a rural community where the majority of the students use snowmobiles and ATVs.
STE. ANNE ELEMENTARY SCHOOL	\$144.10	Promote a playground safety initiative - purchased toboggans and snowshoes to promote positive safe on task activities. Poster contest in conjunction with family literacy night on road safety. Also had a bicycle safety afternoon.
COLLÈGE SAINT-NORBERT COLLEGIATE	\$233.00	Safe Workers of Tomorrow presentations. Career Pathways School Wide Program

**Manitoba Healthy Schools
Safety and Injury Prevention Campaign
Spring 2011**

Seven Oaks School Division

H. C. AVERY MIDDLE SCHOOL	\$238.25	Anti-bullying, online safety and leadership gym helpers: Health classes and guest speakers have been booked for all students to teach them how to be safe online. Also to spread online cyber bullying awareness to the students. Leadership students are taught to referee games in the gym at lunch and are taught to make sure the space used is safe for all students involved and what to do if an injury occurs.
ÉCOLE LEILA NORTH COMMUNITY SCHOOL	\$296.00	Awareness week: bulletin boards, morning announcements, in class, on playground and in the community for emphasis on safe practice.
ÉCOLE CONSTABLE EDWARD FINNEY SCHOOL	\$265.55	Bulletin board promoting bus, fire, internet, water and sun safety rules (with pictures and safety tips)
JAMES NISBET COMMUNITY SCHOOL	\$273.25	Bulletin board promoting bus, fire, internet, water and sun safety rules (with pictures and safety tips)
EDMUND PARTRIDGE COMMUNITY SCHOOL	\$217.25	First Aid unit as part of our health units to examine prevention, preparation and first aid for sport/related activities and daily living.
ARTHUR E. WRIGHT COMMUNITY SCHOOL	\$285.50	Healthy Relationships: "Day of Pink" April 13: we are asking each student to wear one pink article that day in the days before; our middle years student will be educated in healthy relationships and anti-bullying. They will develop stories, skits, posters etc. to share with our elementary students. We will purchase pink stickers/pins/bracelets for students/staff that do not have pink articles of clothing. It is our intention to invite Teen Talk to speak with our middle years students during this week. (More specifically Teen Talk skits program).
COLLICUTT SCHOOL	\$142.70	Our school has registered for a bicycle safety presentation provided by MPI. Funding will be used to purchase equipment for our PE program.
R. F. MORRISON SCHOOL	\$175.25	Playground safety/gym safety. Complete safety upgrades to gym and equipment.
WEST ST. PAUL SCHOOL	\$262.75	Safety Awareness Day: Activities in PE classes and classroom activities with various safety themes.
ÉCOLE RIVERBEND COMMUNITY SCHOOL	\$291.80	Safety Signs: purchased new signs designating student drop-off/pick-up areas. Held an assembly in which each class put a poster on the gym wall saying why safety is important with examples. Some classrooms visited a local police station and another had a police officer come to visit their class as a guest speaker.
FOREST PARK SCHOOL	\$186.80	Safety Week: every gym class will have "Spot the Safety Hazard" in the gym including class discussions about safety and injury prevention.
VICTORY SCHOOL	\$187.50	Victory at Play is an annual event to end the school year and promote safe play and physical fitness.

**Manitoba Healthy Schools
Safety and Injury Prevention Campaign
Spring 2011**

Southwest Horizon School Division

PIERSON SCHOOL	\$130.45	Bike safety presentation by RCMP followed by bike parade.
WASKADA SCHOOL	\$130.45	Farm Safety Fair: money will help pay for mileage for students to attend farm safety days in neighbouring communities.
NEWDALE COLONY SCHOOL	\$116.10	Purchasing new helmets for young riders that do not have them and carrying on with programming for the older students. MPI will present a bicycle safety program and have snacks and prizes.
NATURE VALLEY COLONY SCHOOL	\$105.25	Speaker gives a presentation on eye safety when playing sports or operating power tools. Would like to purchase safety goggles for children. Also plan to attend a farm safety day.
HARTNEY SCHOOL	\$150.05	Summer Water Safety: Students will be bussed to the local pool for seminars, by local pool coordinators relating to general water safety, boat safety, PWC safety, general swim safety when at non-supervised swimming areas. The seminars will be appropriately tailored to various age groups. Grades 9-12, will have a heavier focus on boating and PWC safety.

LORD NELSON SCHOOL	\$248.75	funds to purchase helmets as a prize for participants
TYNDALL PARK COMMUNITY SCHOOL	\$279.20	Funds will be used to purchase pylons to clearly mark areas where cars are not allowed to enter during pick up and drop off to ensure safety of our children.
ROBERT H. SMITH SCHOOL	\$264.50	Give out stickers and prizes for students that are riding their bikes to school, wearing helmets and obeying the rules of the road.
SISTER MACNAMARA SCHOOL	\$287.25	Grade 4-6 attended MTYP production Wired. As a follow-up student council and staff technology committee are organizing an internet safety awareness campaign for students and parents
CHAMPLAIN SCHOOL	\$173.50	Guest speaker to review bicycle safety and responsibility in support of the new bike route, etc.
WELLINGTON SCHOOL	\$252.25	Helmet/Activity poster campaign. Have a school assembly with helmet use presentation and present poster winners with their own helmet.
STANLEY KNOWLES SCHOOL	\$285.15	Highlight a "Safety Tip of the Day" with a morning announcement and coloring/drawing contest. Daily themes would include: burn prevention and sun safety, bike safety, and signals, the importance of wearing a helmet and the importance of playing and walking in groups (stranger danger)
PRINCIPAL SPARLING SCHOOL	\$192.40	Hold an outdoor safety day focused on the use of safety supplies/equipment: sunscreen, bug spray, clothing, helmets, elbow pads, etc. Hold assembly in the morning followed by workshops.
GRANT PARK HIGH	\$520.00	Hosting a Bike Safety Day: outside guest speaker, essay competition with new bike helmets awarded to the winners
FORT ROUGE SCHOOL	\$147.25	In-class anti-bullying programs promoting strategies, helping students to feel secure/safe and be responsible for their own actions. Promoting anti-bullying policy, and renewing anti-bullying pledge at a special school assembly
ÉCOLE GEORGE V SCHOOL	\$193.45	Invite a speaker to present information on bicycle safety. Host a bicycle safety rodeo with bicycles.
ELMWOOD HIGH SCHOOL	\$399.60	Month of May: Week 1: promote fitness centre/weight training workshop afterschool Week 2: announce an injury prevention tip of the day over the PA system each morning. Week 3: Offer bicycle safety info. Through our "Build a Bike Program" Week 4: Raise awareness on water safety through our display boards.
NORQUAY SCHOOL	\$174.90	Playground and River safety: Bring in a speaker to do a presentation on water safety. Funds will be used to purchase material for teaching cooperative games for use on the playground and be able to give these to the children to use over the spring and summer.
ÉCOLE LANSDOWNE IMMERSION	\$245.25	Playground safety initiative; poster contest, bench step/stability ball workout. Small rubber balls and paddles will be purchased to promote safe recess games.
ISAAC BROCK SCHOOL	\$215.15	Primary students will take various fieldtrips to the farm and the fire station to learn about farm, sun and fire safety. They will learn how to take care of others and animals and how to show respect and care for the environment. At both locations, students will gain an understanding for sun safety, the importance of wearing sun hats, wearing sun screen and drinking plenty of water. Promoting safe play will be addressed as well.
WESTON SCHOOL	\$171.40	Promote playground safety - includes student poster contest about different kinds of safety at school and to and from school. Includes speaker/guests to talk to students about bullying, gang awareness, injury prevention and safe play on school equipment.
CARPATHIA SCHOOL	\$171.40	Providing bicycle safety instruction (bike safety rodeo) making sure every student who rides a bike to school owns and uses a bike helmet

**Manitoba Healthy Schools
Safety and Injury Prevention Campaign
Spring 2011**

PINKHAM SCHOOL	\$170.00	Purchase a set of safety goggles to use during PE classes and after school programs.
DAVID LIVINGSTONE SCHOOL	\$205.00	Purchase adjustable hockey helmets to use on outdoor skating rink.
STRATHCONA SCHOOL	\$190.30	Purchase of helmets which can be used by students for skating field trips. Will also broadcast injury prevention tips over the PA during daily morning announcements
SISLER HIGH	\$714.95	Raise awareness on the dangers of texting/talking on cell phones while driving or during other activities. Grade 10: health class projects, school poster. Announcement for the PA system each day of the week.
MACHRAY SCHOOL	\$170.00	Reinforce playground safety rules that promote a safe school environment. School Assembly to introduce the topic, Classroom Discussions to brainstorm ideas, Posters designed by students that promote playground safety.
KING EDWARD COMMUNITY SCHOOL	\$226.00	Road Safety/Bike Safety week: MPI and Winnipeg police are coming to do a presentation. Bike safety poster contest, each class has a winner that wins a bike helmet. Safety tip announced each day. Bike safety booklets handed out to parents and students. Safety lights handed out.
WOLSELEY SCHOOL	\$157.05	Safe and Happy Recess: We will invite a guest speaker to kick off our month of Injury Prevention. We will focus on safety with our patrol team and with students on the playground. We will focus on safety with our patrol team and with students on the playground. Our students will create posters to emphasize injury prevention in these areas. The theme of "Safe and Happy Recess" will be promoted. We will purchase safe activities for students and demonstrate how to use them in a safe and fun way.
INKSTER SCHOOL	\$195.20	Safe Cooperative Games to play at recess times. During PE classes leadership students will demonstrate and practice these games with students.
ÉCOLE SACRÉ-COEUR	\$250.15	Safe Play Campaign: Focus, playing safe at school: will purchase 2 sets of safety bases for use during the playing of softball; open a "store" of recess equipment that our student Conflict Managers would supervise during AM/Pm recesses; and purchase several pairs of shoes that students can borrow for safe participation in PE classes.
ARGYLE ALTERNATIVE HIGH SCHOOL	\$158.80	Safe Social Networking, the complications and problems and how it can be miscommunicated.
EARL GREY SCHOOL	\$164.05	School newsletters will include safety info and prevention tips. Equipment (hockey helmets, shin pads, goggles) will be purchased to promote safety at recess and other outdoor activity times
ST. JOHN'S HIGH SCHOOL	\$485.00	School Wellness day-need to purchase a set of bike helmets for students who don't have one. Offering sessions on athletic therapy, core stabilization and self-defence.
GLENELM SCHOOL	\$149.00	School-wide bike safety event, student leaders will work with teachers to teach children about various aspects of bike safety. The event will culminate with a bike activity at the school.
RIVER ELM SCHOOL	\$192.75	Second Step & Kids in the Know to stress judicious use of texting/talking on cell phones and use of computer communications with friends and strangers. Fire prevention officer will host school assembly on fire safety. Grades 5&6 receive presentation from Elmwood High school students on outcomes of distracted driving. Staff committee to organize safe and structured recess activities. Winnipeg Police service to present to students and parents on topics of street safety, drug awareness and gang awareness. Grade 6 students will receive certification training course in baby-sitting
SHAUGHNESSY PARK SCHOOL	\$241.05	Set up safety stations at the annual community picnic (i.e. Fire safety, water, sun, personal, etc.). Students and parents will receive a passport which will be stamped after attending each station, and at the end are eligible for prizes.
RIVERVIEW SCHOOL	\$212.00	Students in grade 1-5 will participate in the Cycle Safety Bike Rodeo offered through MPI. Older classes will participate in a community bike ride followed by a picnic/bbq lunch

**Manitoba Healthy Schools
Safety and Injury Prevention Campaign
Spring 2011**

CLIFTON SCHOOL	\$161.25	Sun Safety, Road Safety, Helmets: Our spring campaign will raise awareness of road safety, the importance of wearing helmets. The topics will be presented during the morning announcements, in the classroom and in the school newsletter. A guest speaker from the University of Manitoba will be invited to speak to the students about the prevention of brain injuries. Kid Alert Visual Signals (if available) will be purchased in order to alert motorists to proceed with caution when children are crossing busy intersections near the school.
LAURA SECORD SCHOOL	\$307.90	The funds will be used to purchase outdoor equipment and supplies for the Recess Buddies Program. This program pairs Intermediate students with Primary students during recess periods.
MONTCALM SCHOOL	\$110.50	The plan for our students who will be integrated into a regular classroom setting is to expose them to the joys and benefits of water activities which can be lifelong sources of physical activity and pleasure. They will visit the Cindy Klassen Recreational Centre for Water Safety instruction. Following the swimming portion at Cindy Klassen, we will introduce canoeing and kayaking in the pool. The finale of the experience will be to spend a day at Fort Whyte Centre on May 27, 2011 in their canoe kayak program. The students will also be involved in planning and preparing a healthy lunch to be eaten at Fort Whyte.
TECH-VOCATIONAL HIGH	\$540.30	To develop and highlight job hazard analysis on equipment and machinery in 18 tech. Programs.
LORD SELKIRK SCHOOL	\$198.00	U/V Index sun awareness program. Funds used to cover the costs for guests from Health Canada to present and share information about sun safety.
MEADOWS WEST SCHOOL	\$325.05	Water and Safety Day-Will be providing hats for all teams in gr.5-8 that participate in outdoor sports
GLADSTONE SCHOOL	\$149.00	We would like to purchase signs for the front of the school that indicate the bus zone as well as "stop, drop and go" area for parents. These signs will prevent parents from blocking the bus area and will ensure that all students can load and unload safely. Teachers will continue to address safe practices with students when they enter/exit the school bus and family cars
NIJI MAHKWA SCHOOL	\$205.00	Will hold weekly Sharing Circles with our grade 7 and 8 boys that focus on subjects such as addiction, bullying, and safety in the community. During these Sharing Circles, students will explore how to stay safe in their community and make healthy choices. They will strategize and role play situations they have encountered.
ÉCOLE LA VÉRENDRYE IMMERSION	\$193.10	Will organize a health and safety prevention day. Set up 10 stations all to do with road safety, bike, water, and playground.
