Dear Glenn,

RE: Daly Units No. 9-11 & Ewart Unit No. 9 Approval

The Petroleum Branch is pleased to grant approval of the following units in Daly Sinclair Field:

- 1) Daly Unit No. 9: Section 26-10-29 WPM
- 2) Daly Unit No. 10: Section 31-10-28 WPM and N/2 30-10-28 WPM
- 3) Daly Unit No. 11: Section 27-10-29 WPM and N/2 22-10-29
- 4) Ewart Unit No. 9: Section 29-8-28 WPM

The effective date for the above mentioned units is September 1, 2015.

The execution pages of the Unit Agreements are signed and attached.

Tundra is reminded that there is no approval yet to start water injection and separate conversion applications are required for any existing horizontals to be converted into injectors within this new Unit. Please inform the Branch 1(one) month in advance of when Tundra wants to start injection so a Waterflood Order can be created and TTEF calculated, etc.

If you have any questions in respect of the applications required please contact Leo Leonen, Technical Engineering Officer, at (204) 9456570.

Yours truly,

Keith Lowdon
Director
