

Compensation for Victims of Crime Program

Support for Victims

The Compensation for Victims of Crime Program gives compensation (money, services, support) to victims or witnesses who have been injured (physically or emotionally) because of certain crimes that occurred in Manitoba. It also gives compensation to the families and dependants of victims who died in a crime.

You can apply for compensation as a victim, if you are injured as a direct result of a crime.

Note: *The Compensation for Victims of Crime Program only covers physical or emotional injury. It does not cover damaged or stolen property or belongings.*
