Dear Stephanie Lundrigan:

**Re: Darling International Canada Inc. – Notice of Alteration**

Thank you for the notice of alteration submitted on July 25, 2018 in which you proposed to replace the existing old 25K scrubber with a 30K scrubber for Rothsay operation located at 607 Dawson Road in Winnipeg. It is understood that the increased scrubber capacity is to fit to the existing 30K fan and there is no increase in the production capacity of the facility.

Upon review of your alteration request, I have concluded that the environmental effects of the proposed alteration will be insignificant, and, therefore, in accordance with Section 14(2) of The Environment Act you are hereby authorized to carry out the proposed alteration as described in the July 25, 2018 Notice of Alteration.

If you have any questions on this matter, please contact Mr. Eshetu Beshada at (204) 945-7023.

Yours sincerely,

Siobhan Burland Ross, M. Eng., P. Eng.
