SCALING PLAN

INSTRUCTIONS

1. Print, complete, sign and date.

The Scaling Plan must be submitted and approved prior to receiving the Work Permit or Operating Permit.

Check the appropriate box to indicate if this is an **original** Scaling Plan, an **amendment** to the original, or a **replacement** for the original.

E-MAIL

Please provide an e-mail address to receive future updates and communication.

SOURCE/LOCATION

Indicate the cut block or location where the timber will be cut. On hand wood from the previous year's harvest that will be delivered in the new operating year should be included on the Scaling Plan and identified as on hand.

FINAL DESTINATION

List the name of the final destination mill/facility. If wood will be transported to an approved stockpile/rail siding prior to delivery to the final destination, indicate this on the Scaling Plan (eg. Baden Stockpile/CKP). Destinations must be reported on an approved Scaling Plan prior to delivery of wood.

COMMODITY/PRODUCT

Indicate the commodity/product that the timber will be used for. If timber that is sent to a destination will be used for more than one product, report each on a separate line.

ESTIMATED VOLUME m³

Indicate the estimated volume that is expected to be delivered to each destination. The total must not exceed the authorized annual harvest volume for the authority, unless approval for a forward cut has been received.

SPECIES

Species listed should be appropriate for the destination. For example, Conifer-ALL can be used for CKP. Abbreviations can be used.

WS – White Spruce

BS – Black Spruce

JP – Jack Pine

BF – Balsam Fir

TAM – Tamarack

Spruce – ALL

Conifer - ALL

TA – Trembling Aspen

BP – Balsam Poplar

WB – White Birch

Poplar-ALL

CERTIFIED CORRECT BY

The cutting right holder or designate must print, sign and date the form.

An Authorized Sustainable Development staff must review the Scaling Plan and, if approved, fill in the office location and then sign and date the form. Additional conditions can be typed or written in the SCALING PLAN CONDITIONS box, if required.
