

Electrical Trade Wages			
Trade Name	Level	Percentage (%) of the Journeyperson Rate	Apprentice Minimum Wage (\$)
Industrial Electrician and Construction Electrician	One	40%	Wage rates vary according to the prevailing Journeyperson Rate at each apprentice's employer.
	Two	50%	
	Three	65%	
	Four	80%	
<p>Note: For apprentices in the Construction Electrician trade (on a site that <u>is not</u> regulated by the <i>Construction Industry Wages Act</i>) or the Industrial Electrician trade, "Journeyperson Rate" means the rate paid to a journeyperson who is working for the same employer and at the same work site as the apprentice.</p> <p>For apprentices in the <u>Construction Electrician trade</u> who are working at sites that <u>are</u> regulated by the <i>Construction Industry Wages Act</i>, please see the Construction Industry Wage Table.</p>
