

## Regulation **Update**

### ***Change to the trade of Sprinkler System Installer:***

*On September 22, 2008, the Government of Manitoba registered a revised regulation for the trade of Sprinkler System Installer, outlining new minimum apprenticeship wage rates.*

#### **Wage Rates**

*As of September 22, 2008 minimum wage rates were changed to the following:*

Unless otherwise prescribed by a payment agreement or enactment that is more favorable to the apprentice, the wage rate for an apprentice shall not be less than:

- a.) 50% of the prevailing journeyman wage during the first level;
- b.) 60% of the prevailing journeyman wage during the second level;
- c.) 70% of the prevailing journeyman wage during the third level; and
- d.) 80% of the prevailing journeyman wage during the fourth level.

*For more information, please refer to "Training Wages" found on the main page of the Apprenticeship web site under [www.manitoba.ca/tradecareers](http://www.manitoba.ca/tradecareers)*

**Apprenticeship** *A partnership for industry training*
