

BERRY FARM WORKER COVID-19 GUIDELINES

1. DO NOT COME TO WORK IF showing COVID-19 symptoms or have been in contact with anyone found positive for COVID-19. Workers must use the self-screening tool before coming into work: <https://sharedhealthmb.ca/covid19/screening-tool/>
2. IF tested positive to COVID-19 or in close proximity to someone with confirmed COVID-19 should stay home for 14 days or until diagnosis of COVID-19 has been ruled out by health authorities.
3. Keeping your fellow staff and customers healthy is the priority so if you have to stay home there are income loss programs in place to help you:
 - a. If you have stopped working because of COVID-19 the Canada Emergency Response Benefit (CERB) may provide you with temporary income support (www.canada.ca/en/services/benefits/ei/cerb-application.html):
 - i. Workers 15 years and older residing in Canada are eligible.
 - ii. Earned at least \$5000 in 2019.
 - iii. Have not voluntarily quit their job.
4. FOLLOW THE RECOMMENDED METHODS OF REDUCING TRANSMISSION:
 - a. wash your hands with soap and water for at least 20 seconds
 - b. use sanitizer when soap and water unavailable
 - c. cough/ sneeze into bend in arm
 - d. wash hands after blowing nose with tissue, dispose tissue in lined waste basket
 - e. avoid touching face.
 - f. avoid touching surfaces people touch often.
 - g. use personal protective equipment as directed.
5. Maintain physical distancing (2m / 6 feet) from your employer, other employees, and customers. Take work breaks and lunch breaks in separate spaces.
6. Limit any contacts closer than 2 meters (6 feet) to the shortest time possible.
7. Bring own lunch and beverages to work ideally.
8. IF you feel any situation is potentially unsafe from a COVID-19 transmission viewpoint please inform your employer/ supervisor immediately.
