

Weed Seedling Identification Day

Manitoba Agriculture invites you to join them for a fun and informative day to build on your weed seedling identification skills.

Date: Wednesday, May 20, 2026
Time: 1:00 p.m. to 3:30 p.m.
Place: **Ian N. Morrison Research Station, Carman, MB**
(University of Manitoba campus is 1.8 km west of lights in Carman on Hwy 245)

Weed Seedling Identification Presentation

An overview of information for identifying weeds in the seedling stage, including tips on common family traits, cotyledon shape, and other useful identification tools.

Weed Seedling Identification Practice Session

A wide selection of weeds will be available for practicing weed identification skills.

Everyone welcome.
No charge to attend.

Meeting room and coffee sponsored by Manitoba Weed Supervisors Association

CCA credits available
