^Government Appointed

Mandate:

The Manitoba Dental Association (MDA) is mandated by the provincial government, under *The Dental Association Act*. The MDA is the voice of the profession of dentistry in Manitoba. It is the legislated self-governing body with the dual responsibilities of service to the public and oral health care providers. It is dedicated to the promotion of optimal oral health for Manitobans. Through effective and efficient leadership it strives to provide an environment in which individuals can achieve personal and professional fulfillment. Its goals are to:

- Provide responsible representative leadership
- Develop and maintain effective communications
- Ensure appropriate licensure standards

Authority:

[*The Dental Association Act*](#)
[*The Dental Association By-Laws*](#)

Responsibilities:

Board of Directors

The board is responsible for complying with *The Dental Association Act* and has overall responsibility for the management and operation of the Association.

- Exercise disciplinary jurisdiction over members;
- Provide for inquiries or investigations by the board or a committee thereof for the purpose of ascertaining whether the by-laws of the association have been or are being complied with;
- Prescribe and determine the consequences to any member, dental assistant or dental corporation for the non-observance of any of the by-laws of the association and determine in which cases the non-observance constitutes professional misconduct or unbecoming conduct;

- Make or cause to be made any contract or agreement into which the association may by law enter;
- Suspend the license, certificate of registration or permit of any member, dental assistant or dental corporation and strike from the register the name of any member, dental assistant or dental corporation who has not paid a fee or penalty due under the Act or the by-laws, and impose terms for the reinstatement of the license, certificate of registration or permit if the fee or penalty is paid;
- Make by-laws for the exercise and carrying out of the powers imposed upon the board or the association by this Act;
- Make by-laws establishing the qualifications required to be registered on the dental assistants register;
- Establish the standards of continuing education which may be required of members as a prerequisite for the issuing of an annual license.

Peer Review Committee

The committee participates at all levels of complaint investigation, mediation and Court of Inquiry into unprofessional conduct.

Membership:

Board of Directors

The board must consist of at least 11 persons who are either members of the association, dental assistants or public representatives and who are elected or appointed in accordance with the by-laws. At least one member of the board must be a dental assistant and at least 1/3 of the members of the board must be public representatives appointed to the board by the minister.

A "public representative" means an individual who is not registered or licensed under this Act and who is not, and has never been, a member of a profession that is related to the practice of dentistry; Eg. Retired Dentists cannot serve.

Peer Review Committee

The peer review committee consists of at least:

- Six licensed members of the association appointed by the board;
- Six dental assistants appointed by the board; and
- Five public representatives from the roster established under subsection (5).

Length of Terms:

3 years – no maximum number of terms.

Desirable Expertise:

- Lay members cannot be a dentist.
- Individuals who are consumer oriented.
- No professional expertise required.
- Ability to consider complex matters.
- Comfortable advocating in the public interest.
- Interest in the regulation of health professions.
