1.1 The following terms have the following meanings:

- (a) **Funding Agreement:** a written agreement between the Applicant and the Government of Manitoba, in form and content satisfactory to the Program Administrator, that sets out the terms and conditions under which the Applicant will receive program funds;
- (b) **Intellectual Property:** all materials, concepts, know-hows, formulae, inventions, improvements, industrial designs, processes, patterns, machines, manufactures, compositions of matter, compilations of information, patents and patent applications, copyrights, trade secrets, technology, technical information, software, prototypes and specifications, including any right to apply for protections under statutory proceedings available for those purposes, provided they are capable of protection at law;
- (c) **Minister:** The Minister of Agriculture for the Government of Manitoba, and includes any person authorized to act on the Minister's behalf;
- (d) **Program Administrator:** Manitoba Agriculture; and
- (e) **Program Terms and Conditions:** These terms and conditions as revised, altered or amended from time to time.

2 Funding Decision

- 2.1 The Program Administrator will notify the Applicant to advise whether the Applicant's project has been approved for funding or not. It may be decided that only part of a project is approved for program funding, or that only specific eligible expenses are approved for program funding.
- 2.2 Successful Applicants will be required, as a condition of funding, to enter into a Funding Agreement with the Government of Manitoba.
- 2.3 If the Applicant commences a project and incurs eligible expenses before the Funding Agreement and all other documents required in connection with the Applicant's participation in the program are fully and properly completed, the Applicant does so at their own risk. A project may not be approved for funding and/or may not be approved to receive all of the funding applied for.

3 Payments

- 3.1 Payments will be issued in accordance with the terms of the Funding Agreement.

- 
- 3.2 Applicants will be required to submit a claim form, itemized receipts or other acceptable proof of payments, and other documents as specified in the Funding Agreement to agriculture@gov.mb.ca.
 - 3.3 If the funds for any particular reporting period are not spent, the Program Administrator may adjust future payments, where applicable.
 - 3.4 The Applicant must incur, and have paid, expenses associated with the project before they can be reimbursed in accordance with the timeline(s) and other terms and conditions of the Funding Agreement.
 - 3.5 The calculation of eligible expenses will be based on the actual out-of-pocket cost to the Applicant, less any rebates, discounts, incentives and credits, whether provided at the time of purchase or a later date.
 - 3.6 The Applicant must adhere to the stacking limit. The stacking limit refers to the maximum level of total Canadian government funding (federal, provincial/territorial, and municipal) a successful Applicant can receive towards total approved eligible expenses of a project.
 - 3.7 Any payment of funding to be made under the program is subject:
 - (a) to an appropriation of funds by the Parliament of Canada and Legislature of Manitoba in the fiscal year in which the payment is due; and
 - (b) to cancelled or reduced payments if departmental funding levels are changed by the Parliament of Canada or the Legislature of Manitoba.
 - 3.8 The Program Administrator does not assume any responsibility for the tax implications of financial support under the program. Any payments made under this program may have income tax implications for the Applicant. The Applicant is advised to consult their tax advisor as to the income tax consequences of participation in the program.
 - 3.9 The Funding Agreement will detail program funding requirements, including the payment process, the budget, performance and financial reporting requirements.
 - 3.10 Funding advances are at the discretion of the Program Administrator and, if made, will be governed by the terms and conditions of the Funding Agreement.
