- **Case management** **and** **care coordination** **for** **people** **with** **physical** **and** **mental** **health** **conditions**

How much do these services cost?

Costs for services and items provided to eligible recipients are based on 916@DS and CDS guidelines.

Does this office replace an existing service?

Yes. The DHSU handles services once provided by Manitoba Family Services workers. This means more convenient streamlined service for Manitobans across the province.

Can I apply to the DHSU?

Requests must be submitted by a health care professional. Other individuals can request blank forms or additional information from their worker.
