

Leaders in Training Program

Have you considered a career in the public service?

The Manitoba government's Leaders in Training Program (LTP) is a two-year paid internship designed to provide training and development for people interested in pursuing a leadership role in the public service. The LTP has two streams: General and Financial.

Help modernize the public service. This is an exciting time to be in the Manitoba public service! Be part of our progressive transformation with opportunities to contribute to real innovation and positive change.

Many varied opportunities with one employer. Rotational placements in the General Stream provide exposure to policy development, operations and financial management – an invaluable breadth of experience over a two-year program. Rotational placements in the Financial Stream provide exposure to various areas responsible for financial management and analysis – a unique opportunity to experience multiple areas of the organization.

Work in an environment that embraces diversity. We benefit from a diverse public service with vast knowledge, experience and insights. Be part of our work to serving the public with integrity, respect and inclusiveness.

Network with leaders. Work closely with senior public service leaders for mentorship and to help expand your professional network.

Have an impact. Be part of the work that serves Manitobans across this province every day.
