

## **Diagnosis Codes (ICD-9-CM)**

### **What will happen to claims in the new claims processing system that are submitted with an invalid ICD-9-CM code?**

Claims submitted with invalid ICD-9-CM codes will show on the remittance file as unpaid with Explanation of Benefits (EOB) code “**Z7**” *This service was refused as a valid ICD9 code is required.*

You will be required to resubmit the claim with a valid ICD-9-CM code for the claim to be adjudicated.
