

Appendix 2: Manitoba Geological Survey till-matrix compilation 3: AAS after aqua-regia on the clay size-fraction ($<2\ \mu\text{m}$) of till matrices - March 2020

Silver

Arsenic

Appendix 2: Manitoba Geological Survey till-matrix compilation 3: AAS after aqua-regia on the clay size-fraction ($<2\ \mu\text{m}$) of till matrices - March 2020

Appendix 2: Manitoba Geological Survey till-matrix compilation 3: AAS after aqua-regia on the clay size-fraction ($<2\ \mu\text{m}$) of till matrices - March 2020

Cobalt

Chromium

Appendix 2: Manitoba Geological Survey till-matrix compilation 3: AAS after aqua-regia on the clay size-fraction ($<2\ \mu\text{m}$) of till matrices - March 2020

Copper

Iron

Appendix 2: Manitoba Geological Survey till-matrix compilation 3: AAS after aqua-regia on the clay size-fraction (<2 μm) of till matrices - March 2020

Manganese

Appendix 2: Manitoba Geological Survey till-matrix compilation 3: AAS after aqua-regia on the clay size-fraction (<2 µm) of till matrices - March 2020

Nickel

Lead
