

**OBJECTIVE 3.0: *Open Consultation***

The parties will work together to establish appropriate forums which encourage and provide opportunity for consultation and meaningful participation in decision-making processes.

The parties will endeavour to ensure due process, notification and appropriate and timely participation in the matters of government and corporate policy and program development and decision-making.

**OBJECTIVE 4.0: *Creating Opportunities***

The parties are committed to ensure that all Manitobans continue to receive the benefits derived from its mineral endowment. The parties are committed to working together to create opportunities that provide greater control and self-reliance for northern, First Nations and Metis Nation individuals, families and communities.

Through improved communication, the parties can build a better relationship that will ensure greater community participation in the development of education, employment, business, land and environmental management opportunities.

The initiative aims to build a positive business climate that reduces uncertainty, attracts mining investment and maintains existing mineral operations, fosters a stable fiscal regime to attract investment, exploration and development, and builds and maintains community and cultural well-being of all parties involved.
