

Application for Pipeline Suspension or Discontinuation

1. A holder of a valid pipeline operating licence makes application to the Minister under section 152 (5) of *The Oil and Gas Act* for approval to suspend or discontinue a pipeline. The application shall include:
 - a. Physical description and licence number of pipeline, or pipeline segment, to be suspended or discontinued.
 - b. Reasons for suspension or discontinuation.
 - c. the following information must be provided:
 - i. expected timeline for suspension or discontinuation;
 - ii. confirmation of pipeline isolation from all pressure sources; and
 - iii. preventative measures used to leave the pipeline in a safe condition.
2. The submission shall be signed by an officer of the company making application.
3. Email the application to: Peter.Mraz@gov.mb.ca and Leonardo.Leonen@gov.mb.ca.
4. For further information, please contact:
 - a. Peter Mraz at (204) 945-6576 or Peter.Mraz@gov.mb.ca
 - b. Leo Leonen at (204)-945-6570 or Leonardo.Leonen@gov.mb.ca
- 5.
6. Once the approval has been granted 48 hr notice must be given to the Petroleum District Office. For a discontinuation an inspector must witness the cut and cap of each end.
