INFORMATIONAL NOTICE 2020 - 02

March 27, 2020

PRODUCTION SUBMISSION DEADLINES

The Department of Agriculture and Resource Development, Petroleum Branch will be converting to production submission via Petrinex in May 2020. In preparation for this conversion please be aware of the following submission deadlines:

1. Monthly production reports - Monthly submission of production information directly to the Petroleum Branch will cease after April 20th, 2020 with your March submission. No late submissions will be accepted. April and all subsequent submissions will be submitted to the Petroleum Branch, starting May 4th, through Petrinex at www.petrinex.ca.
2. Initial Production Reports – All outstanding Initial Production Reports and required background reports must be correct, complete and submitted to petroleum@gov.mb.ca by March 31, 2020. No reports will be accepted after this date. Any incomplete submissions or wells coming on production after this date will be reported, starting May 4th, to the Petroleum Branch through Petrinex at www.petrinex.ca.
3. Directional Surveys – Please continue to submit all directional surveys to petroleum@gov.mb.ca and ensure all submissions are up-to-date by March 31st, 2020 to enable processing of your initial production reports. Directional surveys can continue to be submitted to petroleum@gov.mb.ca after March 31st, 2020.
4. Geophysical logs – Please continue to submit all geophysical logs, including las files to petroleum@gov.mb.ca and ensure all submissions are up-to-date by March 31, 2020 to enable processing of your initial production reports. Geophysical logs can continue to be submitted to petroleum@gov.mb.ca after March 31st, 2020.

Any questions concerning these measures can be directed to petroleum@gov.mb.ca.

Peter Mraz
A/Director of Petroleum Branch
