Dear Mr. [REDACTED]

RE: Ebor Unit No. 3 Approval

The Petroleum Branch is pleased to grant approval of Ebor Unit No.3 within the Bakken-Torquay Formation covering the following sections in Daly Sinclair field, WPM:

- Twp 8 / Rge 29: Section 29, Section 30, Section 31, Section 32
- Twp 9 / Rge 29: Section 5, Section 6, Section 7, Section 8, Section 18

The effective date for Ebor Unit No. 3 is October 1, 2017.

The execution pages of the Unit Agreement are signed and attached.

Tundra is reminded that there is no approval yet to start water injection and separate conversion applications are required for any existing horizontals to be converted into injectors within this new unit. Please inform the Branch 1(one) month in advance of when Tundra wants to start injection so a Waterflood Order can be created and TTEF calculated, etc.

If you have any questions in respect of the applications required please contact Leo [REDACTED], Technical Engineering Officer, at (204) 9456570.

Yours truly,

[REDACTED]
