Support payor:

Upon filing this signed statement with MEP, I agree that I will immediately advise the program of any changes to my order (agreement), any change in circumstances that affect the terms of my order (agreement), and if any support term is no longer in effect.

I understand that if I wish to cancel this request for enforcement, I must file a signed Opt Out form which will advise MEP that the enforcement provisions of *The Family Support Enforcement Act* no longer apply to my order (agreement) and that enforcement should end.

Collection of Late Payment Penalties (LPP)

LPP is charged to the support payor at a rate of 18% per year on unpaid support. These charges are payable to the support recipient on the file. MEP will assess and enforce LPPs unless you indicate you do not want LPP assessed or enforced by checking the box below:

☐ I waive my right to the assessment of late payment penalties on my file.

I request and authorize MEP to enforce my support order under Part 3 of *The Family Support Enforcement Act* from the date of filing this signed statement with MEP.
