<p>TÜV SÜD America Inc.</p>	

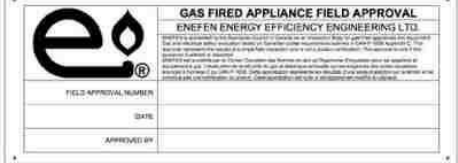

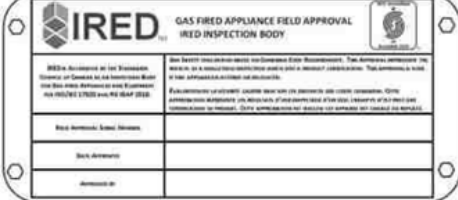

Approved Field Approval Agencies

The following companies are recognized to provide field approval services for gas-fired appliances and equipment in Manitoba:

An SCC accredited inspection body (IB) for gas-fired appliances can apply approval Label and marking and equipment where a NRS does not exist.

Note: A field approval is void if the appliance is altered or relocated.

For contact, information and scope of IB accreditation see [SCC directory of accredited Inspection Bodies](#)
