

RENEWAL APPLICATION FOR LICENCE FOR INDUSTRIAL AUDIOMETRIC TECHNICIAN

Prerequisites to authorization of renewal can be found in the Workplace Safety and Health Regulation (Manitoba Regulation 217/2006), Section 12.9 www.manitoba.ca/labour/safety/wshl.html

Summary of Requirements:

- File an application for renewal at least 60 days before his or her existing licence expires
- Complete a refresher course of study within the time specified by the director (once every 5 years)
- Submit payment of \$100 (cheques payable to: **Minister of Finance**)

To apply for authorization, submit an application form to Manitoba Workplace Safety and Health. The application will be reviewed. If accepted, wallet size certificates will be issued to the applicant.
