Following Petitions, Mr. BALCAEN rose on a matter of urgent public importance and moved:

THAT in accordance with sub-rule 39(1), the regular business of the House be set aside to discuss a matter of urgent public importance, specifically the dramatic increase in crime and violence in the Province of Manitoba.

And Mr. BALCAEN and Hon. Mr. WIEBE having spoken to the urgency of the motion,

WHEREUPON the Speaker ruled as follows:

I thank the Honourable Members for their advice to the Chair on the motion proposed by the Honourable Member for Brandon West for a matter of urgent public importance. The 90-minute notice required prior to the start of Routine Proceedings by sub-rule 39(1) was provided, and I thank the Member for that.

Under our Rules and practices, the subject matter referenced in the Member's motion must be so pressing that the public interest will suffer if it is not given immediate attention. Crucially, there must also be no other reasonable opportunities to raise the matter.

I have listened very carefully to the arguments put forward. Although the issue of increased crime and violence in the Province of Manitoba is indeed very serious and worthy of consideration and discussion, my duty in this moment is to determine if there are other opportunities for debate on such matters.

With that in mind, I must note that Members do have the opportunity to speak on this topic during Members' Statements or when raising a grievance. Members can also ask questions on this topic during Oral Questions. Further, those opportunities and others will continue to be available every sitting day in the House.

Accordingly, I do not believe the motion meets the criteria as a matter of urgent public importance, as there are other opportunities to debate the matter. With the greatest of respect, then, I must rule this motion out of order as a matter of urgent public importance.

The House resumed the debate on the proposed motion of Hon. Mr. WIEBE:

THAT Bill (No. 2) – The Non-Consensual Distribution of Intimate Images Amendment Act/Loi modifiant la Loi sur la distribution non consensuelle des images intimes, be now read a Second Time and be referred to a Committee of this House.

And the debate continuing,

And Mr. EWASKO having spoken,

And Mr. JOHNSON speaking at 5:00 p.m. The debate was allowed to remain in their name.

The House then adjourned at 5:00 p.m. until 1:30 p.m. Wednesday, December 3, 2025.

Hon. Tom LINDSEY,
Speaker.
