Manitoba Legislative
Assembly Page Program*

ABOUT

The Manitoba Legislative Assembly Page Program provides Grade 11 and Grade 12 students who have an interest in politics, government and the legislative process with the opportunity to see first-hand how public policy is developed and determined by Manitoba's Legislature. It also allows these students an opportunity to provide essential services to the Members and Officers of the Legislature.

WHEN DO PAGES WORK?

Pages work when the Manitoba Legislature is in session. The Legislature may meet at any time of the year, but usually sits in October to December and again from March to June. There will also be some Committee work between Sessional periods. Pages are scheduled to work several times a week when the Legislature meets.

DUTIES

Legislative Pages perform a broad range of tasks, during session, including:

- Announcing Members' names during recorded votes
- Preparing the Legislative Chamber for each sitting
- Distributing documents in the Legislative Chamber
- Receiving and delivering items in and outside the Chamber as directed
- Providing Members of the Legislative Assembly with refreshments

Qualifications

Interested applicants must have an interest in politics, government and the legislative process, be bright, cheerful, alert, attentive, confident, well groomed and well spoken. Applicants must also have high academic standing and be able to miss some class time without losing academic standing. Successful applicants must also be able to arrange their own transportation to and from the Legislative Building.

Selection Process

Each year, the Legislative Assembly invites Superintendents and Principals to nominate students for appointments as Pages. Principals forward their nominees to their division's Superintendent, who then submits the names to the Clerk's Office. Eligible students interested in the program should contact their school Principal.

Final selections are made following interviews conducted by the Sergeant-at-Arms, Deputy Sergeant-at-Arms, and a Human Resources Officer.

Ten students are chosen annually. Successful applicants receive training, uniforms, and an instruction manual.

All applicants will receive an invitation to join a virtual information session.
