

Rudy & Elda Enns 1919 Leblanc Rd.  
Kuntzy Kutsn-Kuls 1929 Leblanc Rd.  
Cory & Kim Enns 1935 Leblanc Rd.

1. The barn being built is a commercial barn. The people wanting to build this barn are not the owners, they are from Ontario.

2. We have a lagoon to the south (Inverville lagoon) of us, a lagoon to the west (St. Adolph lagoon) of us, a garbage dump to the North of us and chicken and hog barns to the east of our property.

3. We own an established business (hairshop) for over 30 years on this property. We have horrendous smells from every direction in this corner.

4. We are in the flood area, we have documentation of the 97 flood. The water was 1 mile east of the railroad tracks, our property was completely under water.

5. Other barns have been denied to expand because of flood zone. If another barn is to be built let it happen by owners who reside here.
6. We supported our neighbours the Doerkens when they wanted to build more chicken barns last year. We spoke in their favor at the town meeting.
7. However we do not support another chicken barn to be built in our area.
