Dear Sir or Madame:

**RE: Conditional Use Application
HyLife Ltd.
Tuscany – SE-12-01-18-W**

Please accept this Letter of Intent to supplement our Application for Conditional Use approval for the development of Tuscany Feeders in the RM of Killarney-Turtle Mountain.

We are proposing an approximately \$5.5 million hog production facility that will include: 4 feeder barns each housing 2500 hogs, 1 central office, 1 manure storage facility, and employ 2.5 full time staff. The proposed project is to be located on SE-12-01-18-W on an 80-acre parcel of land. The facility when complete will house 10,000 feeder pigs with a total of 1,430 animal units.

This project was presented to the public at a Public Open House hosted by HyLife in the RM of Killarney-Turtle Mountain on November 8th, 2017 at the Blarney Stone banquet facility from 1 pm to 8 pm. We have carefully considered the feedback from the community and now wish to make formal application for the development approval.

We are hopeful that we may be given the opportunity to continue developing in the RM of Killarney-Turtle Mountain and feel this development is consistent with the Killarney-Turtle Mountain Development Plan By-Law No. 25-2008 for the area.

HyLife would like to thank you in advance for your consideration and support of our application. If you require further information or have any questions, please contact Sheldon Stott at (204) 424-2313.

Sincerely,

Dave Penner, COO
