Dear Mr. Cline:

**RE: Environment Act Licence Suspension**  
**Discharge of Effluent from Wastewater Treatment Lagoon**

This letter acknowledges the emailed request submitted by Birds Hill Provincial Park on April 26, 2017, to discharge effluent from the secondary cell of the Birds Hill Provincial Park wastewater treatment lagoon outside of the discharge date specified in Environment Act Licence 2687 R.

I am granting a suspension of Clause 26.d) of Environment Act Licence No. 2687 R pursuant to Section 18(1) of The Environment Act, which allows you to proceed with the discharge of the secondary cell of the lagoon. The suspension is in effect from May 3, 2017 to May 9, 2017, inclusive for this event.

Please be advised that if weather conditions become unsuitable, discharge must cease and authorization may be revoked. All other clauses in Environment Act Licence No. 2687 R remain in effect.

If you have any questions, please call Kris Innes, Environment Officer in Selkirk at (204) 485-5643.

Yours sincerely,

Don Labossiere
