Dear Rob Nedotiafko:

RE: Environment Act Licence 2687 R – Licence Clause Suspension Request

This letter acknowledges the emailed request submitted by Birds Hill Provincial Park on May 26, 2022, to commence discharge of effluent from the secondary cell of the Birds Hill Provincial Park Lagoon prior to the discharge period prescribed by Clause 26. d) of Environment Act Licence 2687 R.

I am granting a suspension of Clause 26 d) of Environment Act Licence 2687 R pursuant to Section 18(1) of The Environment Act which allows you to proceed with the discharge of the secondary cell of the lagoon. The suspension is in effect from June 3 until June 15, 2022 inclusive.

Please be advised that if weather conditions become unsuitable, discharge must cease and authorization may be revoked. All other clauses in Environment Act Licence 2687 R remain in effect.
