This letter acknowledges the email request submitted by the RM of Rockwood on October 28, 2022, to continue discharge of effluent from the Stony Mountain Lagoon after the discharge period prescribed by Clause 29. e) of Environment Act Licence 3133.

I am granting a suspension of Clause 29. e) of Environment Act Licence 3133 pursuant to Section 18(1) of The Environment Act which allows you to proceed with the lagoon discharge. The suspension is in effect from November 1 until November 14, 2022 inclusive.

Please be advised that if weather conditions become unsuitable, discharge must cease and authorization may be revoked. All other clauses in Environment Act Licence 3133 remain in effect.

If you have questions please contact: Kim Kmet, Environment Officer, Environmental Compliance and Enforcement Branch at Kim.Kmet@gov.mb.ca or 204-641-4091.

Sincerely,
