Dear Ms. Dagdick:

**Manitoba Agriculture and Resource Development has approved the
Mountain Quota Holders Association 2020-22 Operating Plan.**

**The Mountain Quota Holders Association is requesting a two year
extension to Environment Act License #2601 for the 2020-22 operating
period. This will allow continuation of the current forest management
agreement with Manitoba Agriculture and Resource Development for
Forest Management Units 12 and 14 within the Mountain Forest Section.**

If you have any questions, please give me a call at 204-734-3089.

Sincerely,
