Dear Mr. Gagne and Mr. Rempel:

**Re: Notice of Alteration – Environment Act Licence 3193 R – Waste Diversion Site Project**

Thank you for your June 13, 2018 Notice of Alteration submission to Environment Act Licence 3193 R. The alteration consists of constructing separate waste transfer and recycling transfer areas with bins for material collection.

Upon review of your alteration request, I have concluded that the environmental effects of the proposed alteration will be insignificant, and, therefore, you are hereby authorized to construct and operate the transfer areas; subject to the following terms and conditions:

1. Notification to Environment Officers: Ms. Cory Graham ([cory.graham@gov.mb.ca](mailto:cory.graham@gov.mb.ca)) and Ms. Dupe Ige ([dupe.ige@gov.mb.ca](mailto:dupe.ige@gov.mb.ca)) in writing,
  - a. 5 to 10 days prior to starting construction activities; and
  - b. upon completion of substantial construction, with notification included of the intended commissioning of the new transfer area; and
2. Provision of a new site plan for the landfill with the additions included for the Operations Manual.

If you have any questions regarding this matter, please contact Ms. Cory Graham at 204-250-7645 or [cory.graham@gov.mb.ca](mailto:cory.graham@gov.mb.ca)

Yours sincerely,

For Siobhan Burland Ross, M. Eng., P. Eng.  
Acting Director
