

## Notice of Environment Act Proposal

Manitoba Sustainable Development has received a proposal pursuant to *The Environment Act* regarding the following operation and invites public participation in the review process:

### **TOWN OF ALTONA AND MUNICIPALITY OF RHINELAND - ALTONA WASTE DISPOSAL GROUND EXPANSION – FILE: 5831.00**

A proposal has been filed by the Town of Altona and the Municipality of Rhineland to continue to operate the Altona Waste Disposal Grounds; a waste disposal ground located on the SE quarter of Sec. 27, Twp. 2 Rge. 1 WPM in the Municipality of Rhineland. The Development consists of landfill cells, burn cells, a weigh scale, an operator building, an equipment storage building, and storage for metals, tires, used oil, chemical containers, shingles, and areas for stockpiling cover material. In addition, there are old soap stock ponds on the development, which are to be gradually decommissioned, with the area to be used for alternative purposes. The Operators propose to continue to operate the waste disposal ground at this location; which will include construction of new waste cells over the next 25 years, as well as construction and operation of a new compost pad, a leachate evaporation pond and a cut off perimeter wall to surround the waste cells and the evaporation pond.

**Anyone likely to be affected by the above operation and who wishes to make a representation either for or against the proposal should contact the Department, in writing or by E-mail ([cory.switzer@gov.mb.ca](mailto:cory.switzer@gov.mb.ca)), not later than JUNE 17, 2016. Further information is available from the Public Registries located at: Legislative Library, 200 Vaughan St., Winnipeg; Millennium Public Library, 4<sup>th</sup> Floor, 251 Donald St., Winnipeg; Online Registry: <http://www.gov.mb.ca/conservation/eal/registries/index.html> or by contacting Cory Switzer, Environmental Engineer.**

Information submitted in response to this proposal is considered public information and will be made available to the proponent and placed on the public registry established in accordance with Section 17 of *The Environment Act*.
