Dear Mahir Ahme:

Re: A&I Products Canada Inc. - Environment Act Licence No. 3317 - Notice of Alteration Approval

Thank you for your notice of alteration dated February 22, 2024. The department understands you wish to install and operate a paint-drying oven within the existing facility. The proposed alteration would not increase capacity but reduce the drying time from 24 hours to 15 minutes and improve the utilization of space within the facility.

I approve the alteration per Section 14(2) of The Environment Act. All clauses of Environment Act Licence No. 3317 remain in effect. This approval is available on the public registry at <https://www.gov.mb.ca/sd/eal/registries/index.html>.

If you have any questions regarding this approval, please contact, Eshetu Beshada, Senior Environmental Engineer, Environmental Approvals Branch at Eshetu.Beshada@gov.mb.ca or 204-250-1932.

For questions relating to the ongoing administration of the licence, please contact Tyler Kneeshaw, Regional Supervisor, Environmental Compliance and Enforcement Branch at EnvCECentral@gov.mb.ca or 204-870-1598.

Sincerely,
